**RULES AND ADDITIONAL CRITERIA FOR REGISTRATION
OF STUDENT ORGANIZATIONS**

In conformity with Article III of the Code of Student Conduct: Rules, Procedures, Rights and Responsibilities Governing Non-Academic Relationships, any student organization must be registered with the office of the Student Center Director, and the following rules and criteria for registration of student organizations are established and published:

- A. Copies of all local and/or national constitutions and/or by-laws governing the organization must be submitted along with the completed application form.
- B. The organization shall not discriminate against any person due to race, color, sex, or religious affiliation or belief, except when the express and legitimate purposes of the organization require limitation as to sex or religious affiliation or belief.
- C. The organization must adopt a name which is neither the same as nor deceptively similar to the name of an existing registered student organization, the University, or any division or department of the University.
- D. The organization must be non-profit in nature. It may not use its position as a registered organization to solicit or advertise for commercial purposes.
- E. The purposes of the organization must not be inconsistent with the purposes of the University as defined in "A Statement of University Purpose and Mission" approved by the Board of Trustees on June 18, 1991. An excerpt from that statement follows:

As the Commonwealth's only comprehensive land-grant University with a state-wide mission, the University of Kentucky exists to ensure the citizens of the Commonwealth and, by extension, the nation and the world the finest opportunities for education and the greatest benefits of knowledge.

The University creates, preserves, and disseminates knowledge. It seeks to provide an optimal environment for teaching, learning, and research. The University aspires to develop a community of scholars that promotes cultural understanding, ethical behavior, civic virtue, and international citizenship. All efforts of the University are intended to address the needs of society and, by so doing, improve the human condition.

In fulfilling its mission through its University and Community College Systems, the University of Kentucky has three interrelated functions: instruction, research, and public service. These activities enable the University to achieve its goals of:

- Responding to the educational needs of individuals from the Commonwealth of Kentucky, in addition to those from the nation and the world, by offering excellent programs in undergraduate, graduate, and professional education.
 - Advancing the frontiers of knowledge by conducting programs of basic and applied research which seek solutions to human, resource, and environmental problems and further the human good.
 - Improving the well being of citizens of the Commonwealth of Kentucky, as well as all humanity, through application of the knowledge, abilities, and skills of members of the University community.
 - Providing the Commonwealth of Kentucky with a comprehensive university recognized nationally for its quality of teaching, research, service and graduates and internationally for specific areas of strength.
- F. Although this section is not a comprehensive definition of the function and activities of members of an organization, the following functions and activities must be reserved to members:
1. Holding any office in the organization;
 2. Presiding, officiating, voting, making, or seconding motions at any meeting of the organization. Guests may attend and, as a member of the audience, speak at meetings of the organization when the program and procedures permit; and
 3. Acting as a public spokesperson for the organization.
- G. The elected officers of the organization shall be students.
- H. Only members of the student body, faculty, and/or staff of the University of Kentucky may serve at stations or distribute materials on the campus on behalf of the organization.
- I. An affirmative statement shall be signed by students, faculty, and/or staff seeking registration for the organization and certifying that the organization is in compliance with, and will continue to comply with, Article III of the Code of Student Conduct, with the "Rules and Additional Criteria for Registration of Student Organizations" (AR II-8.3-1), and with the "Regulations Governing the Use of University Facilities by Registered Student Organizations" (AR II-8.3-2).
