

UNIVERSITY OF KENTUCKY

SELF-STUDY

DEANS, DEPARTMENT CHAIRS,
and DIRECTORS SURVEY

FEBRUARY, 2001

DEANS, CHAIRS, AND DIRECTORS SELF-STUDY QUESTIONNAIRE

This study is being sponsored by the University of Kentucky Self-Study to give *every* employee of UK a chance to contribute opinions about a wide variety of issues relevant to our campus. Because of the comprehensive nature of this endeavor, the questionnaire includes many questions; some of which may not be relevant for you. Therefore, please read the instructions for each section carefully.

This questionnaire is intended for department chairs, deans, or directors (including associate or assistant deans or academic program directors).

Please answer the following questions by circling the number corresponding to your choice or by filling in blanks as needed. Most of the items on this questionnaire have no right or wrong answers. We are interested in learning *what you think* on these matters. Your opinions are very important to us.

Your responses will be *completely confidential*. The information collected in this survey will be tabulated in aggregate form to allow for comparisons of the opinions expressed between various groups of employees on campus. There will be no way for anyone to associate your name with any of your responses.

Some questions ask about *your unit*. “Your unit” refers to the administratively recognized office in which you work. Examples include the Department of Chemistry, the Materials Management Department of the Hospital, and the Survey Research Center.

Please take the time as soon as possible to fill the questionnaire out and return it in the enclosed reply envelope by **February 28, 2001**. To insure that your responses remain confidential, please do not put your name on the questionnaire or the envelope.

Thank you very much for your help!
