

**The Power of Community**

***National Citizen Review Panel Advisory Panel Teleconference Notes  
May 5, 2011***

**On the Call:** Blake Jones, Anita Keyes, Pat Briggs, Diane Mastin, Cheryl Avery, Deb Farrell, Cheryl Worrell, Kelly Hamilton

The quarterly conference call of the National CRP Advisory Board was held on this date.

**National Conference**

Cheryl Worrell from South Carolina gave the group an update about the national conference. The conference numbers are looking great with 120 people registered. The financials are also good and there should be no problem in paying the bills. We will once again host a silent auction and the proceeds will be given to a scholarship fund for next year's conference.

**Updates from Blake**

The webinars which have been hosted by our Board have been a great success. There have been many participants on the calls and Blake will poll people at the national conference in Charleston to see what kind of webinars they would like to see in the future.

**National Conference 2012**

There was a discussion of the national CRP conference to be held in 2012. There is a possibility that the national conference could be hooked in with the Children's Bureau conference in April, 2012. Catherine Luby is checking on this and will let us know ASAP. The other possibilities for the conference are NH/ME, Georgia, and Wyoming.
