

# International Internship/ Practicum in London, England

## Explore

The practice of social work in the country where much of our social work practice has its **origin**

## Experience

The **beauty** and **culture** of London and Great Britain while you live with a British family

## Expand

Your horizons by experiencing life and work in an international city with a wide **diversity of ethnicity and culture**

The College of Social Work, in collaboration with the Cooperative Center for Study Abroad, provides the opportunity for an 8 week social work internship/ practicum in London for Summer, 2003. During their placement in London, students will live with a British family in a homestay, allowing for complete cultural immersion.
