Dear Students:

The College of Social Work is launching its *Student Ambassadors' Program*. You are invited to apply for this challenging and enjoyable opportunity. Student Ambassadors are official spokespeople for the College. You will have the opportunity to meet with visiting faculty and speakers, to assist us in the recruitment of qualified students for the undergraduate and graduate programs and you will be asked your advice on a whole variety of issues regarding social work education and the College.

Each spring you are invited to a special party at my home, honoring your contributions to this University and to the College of Social Work. If you are interested in this program, please contact the Dean's Office and I will call you and ask you to come to my office for an appointment to discuss the program. You will be happy to know that there is a small honorarium for each student in this special program.

My number is 859-257-6654 and email is khoffma@uky.edu.

I look forward to working with you.

Sincerely,

Kay Hoffman
Dean
