

## PANHELLENIC COUNCIL OFFICER APPLICATION

Officers are elected from among the members of the Panhellenic Council, based on the decision of each chapter's vote. To be considered for an office in the UK Panhellenic Association, the member must maintain a 2.80 cumulative grade point average both prior to and each of the semesters while in office. They shall serve for one year beginning in January of the spring semester and continue to serve up through December of that same year. Each officer serves on the executive committee, which meets at 3:00 every Monday in SC 359. In addition, when applicable, the officer will be in charge of chairing a Panhellenic committee, which will meet the first Monday of each month in a location designated by the chair. The time and date of the officer training will be designated by the President of Panhellenic.
