

Using the K Book in UK 101

Fall 2010

A note about K Book distribution:

- *The UK 101 office will mail copies to instructors and include a copy to give to each peer instructor.*
 - *New students were mailed a copy of the K Book in early August; it was sent to the permanent mailing address they provided the University. If your students say they did not receive a copy, please send their names, student ID numbers, and addresses to NSPP@lsv.uky.edu. We will check our records, and if we find that we mailed them a book to the correct address, they will need to purchase an additional copy at UK Bookstore. If our records show that we did not mail them a copy, they can pick one up from 518 Patterson Office Tower during regular business hours.*
