

2009 Parking Information

General Campus Parking throughout the Weekend

- Most employee lots and student commuter lots are accessible and available on weekends. Permits are not required after 3:30 p.m. Friday afternoons until 5 a.m. Monday mornings.
- Do not park in "R" (residential) lots.
- Spaces for visitors with disabilities are located throughout campus in close proximity to entrances of University buildings. These spaces, however, typically require a disabled permit issued by Parking Services or a gate attendant. During Family Weekend only, Parking Services will allow use of state-issued disabled permits. If you need assistance with locating accessible parking, please contact UK Parking at (859) 257-5757 or toll-free at (800) 441-0555. You can contact them via e-mail at UKParking@lsv.uky.edu.
