RA SPOTLIGHT: Sarah

Sarah Fogarty is a new RA on the fourth floor of North Hall. She is a sophomore studying Theater. She has career aspirations of owning her own theater company or teaching drama in a secondary school or higher education setting. Tell Sarah "Happy Belated Birthday" - she celebrated 20 years on December 14th! Sarah enjoys reading, acting, dancing, singing, riding horses, music, movies, writing, being involved with the Chellgren Fellows program, and Delta Gamma sorority. Although Sarah's schedule is very busy - she always has time for the residents of North Hall! If you came to the "Vote your Voice" program on February 27th - you were sure to see her there. Sarah wants you to know: "I am excited to get to know you and support all of your endeavors. I love the arts and I am fully supportive of any creative endeavor! If you need my help, contact me!"

Your Community has a webpage!

Yes! It is true! Your Learning Community has a webpage! There are lots of great resources available online and plenty of ways to make it even better!

Go to <http://www.uky.edu/StudentAffairs/ResidenceLife/livingLearning.html> and you will see each community link listed at the bottom of the page.

Here are some ways you can make your mark at UK:

1. Submit a quote to your hall director about your learning community experience. See current LLC pages for examples. A digital photo of yourself can even be included! Your HD will have a form you will need to fill out! It's quick and easy!
2. Fill out a photo release form (available online at http://www.uky.edu/PR/Photo-Image_consent_form.pdf). Encourage other residents and LLC members in your hall to do the same. Now you can take photos of programs and we can post them on your LLC webpage!
3. Send ideas to Leslie Woltenberg on how your community's page could be improved. Do you have a clever layout idea? What about a calendar of events online? Whatever your idea is- share it!

Remember, being a member of an LLC is an honor. This could be your opportunity to make your mark on the history of your community! Get involved!

Did you know that your Hall Director is a really helpful resource? Have you met him/her yet? Stop by the front desk of your residence hall & ask where to find the HD (or RD) office!
