Application for Residency - Part II

C O N F I D E N T I A L

Please answer the following questions completely and honestly. We are not looking for a right or wrong answer – we are seeking to know and understand you, your true desire to live with us, and your desire to know and serve Jesus Christ.

Please answer these questions in your own handwriting. You may use a separate sheet of paper. Typewritten responses are preferred.

1. What is your understanding of a “Christian community”?
2. What do you expect to gain by living at the UK Wesley Foundation?
3. What do you expect to contribute to this community by living here?
4. What is your plan for growing spiritually while at UK?
5. What are your plans for being involved with the UK Wesley Foundation ministry?
6. Share with us your relationship with God. If you were to view your relationship with God as a journey, where are you in that journey? (haven’t begun, well down the path, off the main road, etc.)

References: List two people outside of your own family who we can contact concerning you and the possibility of you being a part of UK Wesley Foundation Residential Community.
