Members, Board of Trustees:

PROPOSED REVISION TO ADMINISTRATIVE REGULATION: POLICY ON DEADLY WEAPONS

Recommendation: that the Board of Trustees adopt the proposed revisions to the attached Administrative Regulation (AR) 6:6, Policy on Deadly Weapons. The proposed revisions will bring the University policy into compliance with the Kentucky Supreme Court’s opinion in the recent case of Mitchell v. University of Kentucky, et al. Upon Board approval, this Administrative Regulation will become final June 19, 2012.

Background: The Kentucky General Assembly explicitly recognizes the authority of the University to control the possession of deadly weapons on any property owned, leased or controlled by the University, including the right to prohibit possession of such weapons by any person or entity using University property or premises. This authority is granted notwithstanding other statutes to the contrary. However, until the Mitchell decision, it was unclear how the other applicable statutes applied.

As a result of the Mitchell decision, it is now clear that the University must allow deadly weapons on University property in the following circumstances:

- Possession of a deadly weapon by a person licensed to carry a concealed deadly weapon, if the firearm or other deadly weapon is contained in a motor vehicle (private or University-owned) and is not removed from the vehicle;

- Possession of a deadly weapon if it is located in a non University-owned motor vehicle and in an enclosed container, compartment, or storage space installed as original equipment in the motor vehicle by its manufacturer, including but not limited to a glove compartment, center console, or seat pocket, regardless of whether said enclosed container, storage space, or compartment is locked, unlocked, or does not have a locking mechanism; and

- Possession of a deadly weapon by persons who are specifically authorized by KRS 527.020 to carry concealed deadly weapons on or about their persons at all times and at all locations within the Commonwealth. Such persons include but are not limited to: Commonwealth’s attorneys, judges of the Court of Justice, conservations officers of the Department of Fish and Wildlife, elected sheriffs, and peace officers from other jurisdictions. A complete listing of persons authorized to carry concealed deadly weapons within the Commonwealth of
Kentucky and the conditions for which the carrying of the deadly weapon is authorized, is found in KRS 527.020.

A revised copy of AR 6:6 is attached. Proposed additions are underlined; proposed deletions are lined through.
