Members, Board of Trustees:

**DISPOSAL OF PERSONAL PROPERTY**

**Recommendation:** that the Board of Trustees approve a plan for Fiscal Year 2013-2014 authorizing routine disposition of personal property having a value of less than $25,000 per item, to include equipment and machinery, vehicles, library books and materials, livestock and recyclable materials as listed on Attachment I.

**Background:** Kentucky Revised Statute 164A.575 requires that the Board of Trustees approve disposition of equipment and other property. Administrative Regulation 8.1, approved by the Board of Trustees in March, 2007 establishes the policies and procedures, including required approvals for the disposition of personal property. This plan will provide an efficient and timely process for the disposition of property having a value of less than $25,000 in accordance with Administrative Regulation 8.1. Dispositions of personal property having a value greater than $25,000 will be approved by the Board of Trustees on a case by case basis.
