Members, Board of Trustees:

PERSONNEL ACTIONS

Recommendation: that approval be given to the attached appointments, actions, and/or other staff changes which require Board action; and that the report relative to appointments and/or changes already approved by the administration be accepted.

Background: The attached recommended appointments and/or other staff changes require approval by the Board of Trustees in accordance with Part VIII-B of the Governing Regulations of the university. These recommendations are transmitted to the Board by the appropriate provost/executive vice president through the president and have the president’s concurrence.

Under the Governing Regulations, the authority to make certain appointments and/or other staff changes is delegated to the president or other administrators who are required to report their actions to the Board. These items of report follow the recommendations requiring Board approval.
