2.2 University Information

Founded in 1865, the University of Kentucky (UK) is a public, research-extensive, land grant university dedicated to enriching people’s lives through excellence in teaching, research, and service. UK’s campus covers more than 687 acres and total enrollment is nearly 27,000 students representing all Kentucky counties, every state in the nation, and 117 countries. There are about 11,000 employees. The University’s $1.4 billion annual budget makes it Kentucky’s ninth largest corporation.

UK consists of some 200 major and degree programs in 16 academic and professional colleges. The colleges include: Agriculture, Arts and Sciences, Business and Economics, Communications and Information Studies, Dentistry, Design, Education, Engineering, Fine Arts, Health Sciences, Law, Medicine, Nursing, Pharmacy, Public Health, and Social Work. UK boasts over 80 national rankings for academic excellence.

UK’s William T. Young Library is among the world’s leading research libraries; its book endowment is the largest among public universities and ranks second only to Harvard University among all universities.

The UK Chandler Medical Center, which opened in 1960, is considered one of the nation’s finest academic medical centers. As one of two Level 1 Trauma Centers in Kentucky, UK Hospital cares
for the most critically injured and ill patients in the region. The 473-bed UK Hospital and UK Children’s Hospital are supported by more than 500 faculty physicians and dentists, 400 resident physicians, and a staff of 3,200 health professionals committed to high-quality patient care. Additionally, on July 1, 2007, the University purchased Good Samaritan Hospital, a 336 bed community hospital located in Lexington, Kentucky, contiguous to the University campus. This acquisition greatly expands the patient care opportunities available for the University to serve the Commonwealth.

Research at UK is a dynamic enterprise encompassing both traditional scholarship and emerging technologies. There are over 50 research centers and institutes across campus. During fiscal year 2004, UK faculty received a record-breaking total of $238.3 million in extramural funding for grants and contracts. The majority of grants and contracts, 60.3 percent, were awarded by federal agencies representing an increase of 9.7 percent over the previous year.

UK’s agenda is to accelerate the movement toward academic excellence and to become known worldwide for the quality of its academic programs, its commitment to undergraduates, its success in building a diverse community, and its engagement with the larger society.

The total contract period will not exceed 8 years. Annual renewal shall be contingent upon the University's satisfaction with the services performed.

6.2 **Effective Date**

The effective date of the contract shall be the date upon which the Parties execute it and all appropriate approvals, including the Commonwealth of Kentucky Government Contracts Review Committee, have been received.

6.3 **Competitive Negotiation**

It is the intent of the Request for Proposal (RFP) to enter into competitive negotiation as authorized by KRS 45A.085.

The University will review all proposals properly submitted. However, the University reserves the right to request necessary modifications, reject all proposals, reject any proposal that does not meet mandatory requirement(s) or cancel this RFP, according to the best interests of the University.

Offeror(s) selected to participate in negotiations may be given an opportunity to submit a Best and Final offer to the Purchasing Agency. All information received prior to the cut-off time will be considered part of the Offeror's Best and Final offer.

The University also reserves the right to waive minor technicalities or irregularities in proposals providing such action is in the best interest of the University. Such waiver shall in no way modify the RFP requirements or excuse the Offeror from full compliance with the RFP specifications and other contract requirements if the Offeror is awarded the contract.

6.4 **Appearance Before Committee**

Any, all or no Offerors may be requested to appear before the evaluation committee to explain their proposal and/or to respond to questions from the committee concerning the proposal. Offeror(s) are prohibited from electronically recording these meetings. The committee reserves the right to request additional information.

6.5 **Acceptance or Rejection and Award of Proposal**

The University reserves the right to accept or reject any or all proposals, or part of proposals, to waive any informalities, technicalities, clarify any ambiguities in proposals, and unless otherwise
specified to accept any item in the proposal. In case of error in extension of prices or other errors in calculation, the unit price shall govern.

6.6 Additions, Deletions or Contract Changes

The University reserves the right to add, delete, or change related items or services to the contract established from this Request for Proposal. No modification or change of any provision in the resulting contract shall be made, unless such modification is mutually agreed to in writing by the Contractor and the Director of Purchasing, and incorporated as a written modification to the contract. Memoranda of understanding and correspondence shall not be interpreted as a modification to the contract.

6.7 Contractor Cooperation in Related Efforts

The University reserves the right to undertake or award other contracts for additional or related work to other entities. The Contractor shall fully cooperate with such other Contractors and University employees and carefully fit its work to such additional work. The Contractor shall not commit or permit any act, which will interfere with the performance of work by any other Contractor or by University employees. This clause shall be included in the contracts of all Contractors with whom this Contractor will be required to cooperate. The University shall equitably enforce this clause to all Contractors, to prevent the imposition of unreasonable burdens on any Contractor.

6.8 Entire Agreement

The Request for Proposal (RFP) shall be incorporated into any resulting Contract. The resulting contract, including the RFP and those portions of the Offeror’s response accepted by the University shall be the entire agreement between the parties.

6.9 Governing Law

Contractor shall conform to and observe all laws, ordinances, rules and regulations of the United States of America, Commonwealth of Kentucky, and all other local governments, public authorities, boards or offices relating to the Property or the improvements upon same, or the use thereof, and will not permit the same to be used for any illegal or immoral purposes, business or occupation. The resulting contract shall be governed by Kentucky Law and any claim relating to this contract shall only be brought in the Franklin Circuit Court in Accordance with KRS 45A-245.

6.10 Termination for Convenience

The University of Kentucky, Division of Purchasing, reserves the right to terminate the resulting contract without cause with a thirty (30) day written notice. Upon receipt by the Contractor of “notice of termination”, the Contractor shall discontinue all services with respect to the applicable contract. The cost of any agreed upon services provided by the Contractor will be calculated at the agreed upon rate prior to “notice of termination” and a fixed fee contract will be pro-rated (as appropriate).
6.11 Termination for Non-Performance

Default

The Director of Purchasing may terminate the resulting contract for non-performance, as determined by the University for such causes as:

- Failure to provide satisfactory quality of service, including, failure to maintain adequate personnel, whether arising from labor disputes, or otherwise any substantial change in ownership or proprietorship of the Contractor, which in the opinion of the University is not in its best interest, or failure to comply with the terms of this contract

- Failure to keep or perform, within the time period set forth herein, or violation of, any of the covenants, conditions, provisions or agreements herein contained.

- Adjudication as a voluntarily bankrupt, making a transfer in fraud of its creditors, filing a petition under any section from time to time, or under any similar law or statute of the United States or any state thereof, or if an order for relief shall be entered against the Contractor in any proceeding filed by or against contractor there under. In the event of any such involuntary bankruptcy proceeding being instituted against the Contractor, the fact of such an involuntary petition being filed shall not be considered an event of default until sixty (60) days after filing of said petition in order that Contractor might during that sixty (60) days period have the opportunity to seek dismissal of the involuntary petition or otherwise cure said potential default.

- Making a general assignment for the benefit of its creditors, or taking the benefit of any insolvency act, or if a permanent receiver or trustee in bankruptcy shall be appointed for the Contractor.

Notification

The University will provide ten (10) calendar days written notice of default. Unless arrangements are made to correct the non-performance issues to the University’s satisfaction within ten (10) calendar days, the Director of Purchasing may terminate the contract by giving forty-five (45) days notice, by registered or certified mail, of its intent to cancel this contract.

6.12 Modification or Withdrawal of Offer

An offer and/or modification of offer received at the office designated in the solicitation after the exact hour and date specified for receipt will not be considered.

An offer may be modified or withdrawn by written notice before the exact hour and date specified for receipt of offers. An offer also may be withdrawn in person by an Offeror or an authorized representative, provided the identity of the person is made known and the person signs a receipt for the offer, but only if the withdrawal is made prior to the exact hour and date set for receipt of offers.

6.13 Rejection

Grounds for the rejection of proposals include, but shall not be limited to:
• Failure of a proposal to conform to the essential requirements of the Request for Proposal.

• Imposition of conditions that would significantly modify the terms and conditions of the solicitation or limit the Offeror’s liability to the University on the contract awarded on the basis of such solicitation.

• Failure of the Offeror to sign the University Request for Proposal, as part of the proposal. This includes the Authentication of Proposal and Statement of Non-collusion and Non-conflict of Interest statements.

Any other taxes levied upon this contract, the transaction, or the equipment or services delivered pursuant hereto shall be the responsibility of the Contractor.

The Contractor will be required to accept liability for payment of all payroll taxes or deductions required by local and federal law, including, but not limited to old age pension, social security or annuities.

6.17 Attorneys’ Fees

6.18 **Patents, Copyrights and Trademarks**

The Contractor shall protect the University from any and all damages or liability arising from alleged infringements of patents, copyrights or trademarks.

This clause shall survive termination for as long as necessary to protect the University.
