Tim Tracy, Interim Provost, is leading a group reviewing financial transparency and accountability and is doing an excellent job. Hollie Swanson, faculty member, is working with a group looking at faculty performance evaluations and rewards. Dr. Capilouto stated, “It’s onward and upward for the University of Kentucky. I think everyone is aware of the conditions we are working on that it’s called ‘the new normal’. When we talk about traditional support we realize the cavalry is not coming, in fact, there may be no cavalry. We have to be resourceful in how we manage our resources, and how we leverage our assets to do so.”
Angie Martin, Vice President for Financial Operations and Treasurer, presented the proposed 2012-13 Tuition and Mandatory Fees Schedule which reflects a six percent increase for undergraduate, resident tuition and mandatory fees. The recommendation aligns with the tuition parameters established by the Council on Postsecondary Education by maintaining the current floor for nonresident, undergraduate tuition and mandatory fees of at least two times the resident undergraduate rate; and market competitive tuition and mandatory fee rates for graduate and first-professional students. The University administration continues to work on the 2011-12 Operating and Capital Budget, and will present a recommendation to the Board at its June 19 meeting. Keith Gannon moved for approval. Frank Shoop seconded, and the motion for approval unanimously carried.

FCR 7 – Proposed 2012-13 Room and Board Rates
