III. FINANCIAL REPORT

Sergio Melgar presented the January 2011 Financials and briefly discussed the February Financials. Patient satisfaction scores are improving, efficiency metrics are near target and impact metrics are in line. The Stroke Unit received the Gold Plus Recognition from the American Heart and Stroke Associations for performance on the stroke guidelines.

V. PRIVILEGES AND APPOINTMENTS

Dr. Kevin Nelson presented for approval, Committee Action 1, Extension of Clinical Privileges. This would approve the extension of clinical privileges granted at the University of Kentucky Chandler Hospital to include the same privileges at UK HealthCare Good Samaritan Hospital. The committee made a motion and all approved unanimously.

Dr. Nelson also presented for approval the current list of provider privileges and credentials for Chandler and Good Samaritan Hospitals. The committee made a motion and all privileges and credentials were approved.

VI. NEW BUSINESS
