

WHY TAKE A PREP COURSE?

In a changing world where a Bachelor's degree has become the standard for employment in specialized fields, admission to graduate school has become increasingly important. Your GRE and GMAT score will be an essential component for successful admission.

Why not take advantage of some additional preparation for graduate admission exams by registering for GRE and GMAT Prep Courses? Classes meet for five consecutive weeks on Tuesdays or Wednesdays.

GRE Verbal Prep

This five-week long class will review the four areas emphasized in the GRE Verbal Section: Analogies, Antonyms, Sentence Completion, and Reading Comprehension. Includes test-taking strategies and extensive practice. For those who have not taken the GRE yet, or those who have taken it but still need an overview.

Tuesdays (5 — 7 pm)

Complex Commons 306 C

Fall 1: September 8 -- October 6

Fall 2: October 13 — November 10

Spring 1: February 2 — March 2

Spring 2: March 23 — April 20

\$100.00

GMAT Verbal Prep

This five-week long class will review the three verbal areas stressed on the GMAT: Sentence Completion, Reading Comprehension, and Critical Reasoning. In addition, we will cover special strategies for taking the computer adaptive GMAT.

Wednesdays (5 — 7 pm)

Complex Commons 306 C

Fall 1: September 9 — October 7

Fall 2: October 14 — November 11

Spring 1: February 3 — March 3

Spring 2: March 24 — April 21

\$100.00

GRE Math Prep

This five-week long class will review four of the math areas emphasized in the GRE: Arithmetic, Algebra, Geometry, and Graphs. Includes test-taking strategies and extensive practice. For those who have not taken the GRE yet, or those who have taken it but still need an overview.

Tuesdays (7 — 9 pm)

Complex Commons 306 C

Fall 1: September 8 -- October 6

Fall 2: October 13 — November 10

Spring 1: February 2 — March 2

Spring 2: March 23 — April 20

\$100.00
