UKAEF NEWSLETTER

April 2014

ABOUT THE SPEAKER

Dr. Eli Capilouto became the 12th President of the University of Kentucky on July 1, 2011. Since his arrival, Dr. Capilouto has led a process to enrich UK's academic experience by investing in priorities that maintain affordability and access; support the institution's talented faculty and staff; and revitalize the living, learning and research facilities across campus.

Under Dr. Capilouto's leadership, the University of Kentucky – through an innovative public/private partnership – will add ten residential facilities across campus; nearly 4,600 beds and 175 active learning spaces by 2015. Additionally, the University is self-financing three capital projects essential to its academic and financial future: a renovated and expanded Gatton College of Business and Economics, a new Academic Science Building, and a renovated Commonwealth Stadium and Nutter Training Center.

Dr. Capilouto is committed to enhancing UK's research enterprise and graduate education programs through high-quality partnerships, both domestic and international, and by recruiting and rewarding top scholars across the world.

A native of Montgomery, Alabama, Dr. Capilouto previously served as Provost of the University of Alabama-Birmingham (UAB) and Dean of the UAB School of Public Health. He holds several undergraduate and graduate degrees from schools within the University of Alabama system, and a Doctorate in Health Policy and Management from Harvard University. He and his wife, Dr. Mary Lynne Capilouto (D.M.D.) a former Dean of the UAB School of Dentistry, have one daughter.

President: Austin Cantor

Vice President: Susan Abbott-Jamieson

Treasurer: James Chapman

Executive Secretaries: Sue Fosson, Mary Witt

Recording Secretary: Bradley Canon

As president, it is my pleasure to thank the current executive board for their service. Next year, Tom Garrity will have completed his year as past president. Although he will have officially completed his role at the end of this year we look forward to informally accessing his knowledge and leadership in the future. I will move into the role of Past President and Austin Cantor will take over the reins as President. To date we have had no official resignations from the remaining officers and I want to thank them for their continuing service which is greatly appreciated.

It is a particular pleasure to announce that Susan Abbott-Jamieson has agreed to be placed on the slate as Vice President and Program Chair for the coming year. Susan brings experience to our group from within our institution as a faculty member (beginning in 1974) and Chair of Anthropology (1990-94). Since her retirement in 1998, she has worked with the National Oceanic and Atmospheric Administration and the National Marine Fisheries Service, serving

as Lead Social Scientist for the latter from 2002-2011. She presently serves as President of Abbott-Jamieson Consulting, Ltd. The breadth of her experience allows us to look forward to another year of interesting programs at our general meetings. We hope you will be able to join us as we officially conduct the election of new officers at our April 8 meeting.

THANK YOU FROM PROVOST RIORDAN
Sent after the luncheon meeting

Provost Christine Riordan & Lee Edgerton at Feb. 11, 2014 luncheon.

Dear Emeriti Faculty,
I would like to thank you again for the great discussion and idea exchange from our luncheon meeting today. I really enjoyed hearing your thoughts and perspectives on our initiatives, and I look forward to continuing this dialogue with you in the future.

Please remember that we are continuously updating a suite of websites including one for the Provost Office <<http://www.uky.edu/provost/>>, the Strategic Plan <<http://www.uky.edu/strategic-plan/>> and the Budget Model <<http://www.uky.edu/financial-model/>>. These websites host a wealth of important and helpful information, so please use them as resources. Jay Blanton will also be following up with your officers, Lee and Austin, to host a forum with your group on the academic brand.

Again, thank you so much for the wonderful discussion.

All the best,
Chris
