You may be eligible if you are between 30 and 75 years of age, have normal or controlled blood pressure, do not have any diseases or movement disorders that would prevent you from performing treadmill exercise, are not obese, have not been involved in a scheduled weight lifting or aerobic training program within the past 3 months, and do not engage in more than one hour per week of vigorous activity (large amount of effort with rapid breathing).

Please call Maja Redzic 859-323-2042 or e-mail mre226@g.uky.edu to learn more if you are interested in assessing your eligibility for this study.

LUNCH & LEARN SERIES

UK Elder Care is pleased to present the 2013 Fall Lunch & Learn Series. Bring your lunch and learn about important topics. Each FREE session requires pre-registration and is open to UK Faculty, Staff, Retirees, Spouses and Sponsored Dependents. Space is limited. For more information and to register for sessions, visit: www.uky.edu/HR/ElderCare/lunch_learn_2013.html.

DO YOU HAVE AN EMAIL ADDRESS? PLEASE SHARE IT!

When we have your email address it allows us to communicate with you on short notice. For example, weather issues can be a problem for winter meetings. We know who plans to attend each luncheon and can alert you to schedule changes at the last minute if we have your email address. Please add your email address to the membership form. The only time we use it is for last-minute communications or to send your newsletter to you electronically if we happen to get it returned in the mail for some reason.
