UKAEF NEWSLETTER

November 2022

ABOUT THE SPEAKER

Connie Jennings, M.D. has been practicing at UK over 30 years as an internist. She served for many years as Medical Director at Ky Clinic South, UK's first off campus clinic. There she initiated UK's Acupuncture Clinic in 2005. This is a practice that she continues and has been able to grow in our enterprise. Presently Dr Jennings has a dual role as Medical Director of both the UKHC Care Blue Service and UK Integrative Medicine and Health Clinic. She has been involved in a steady effort to build Integrative Medicine into the fabric of UK HealthCare.

Dr Jennings also leads the Walk With a Doc Program, an international program, emphasizing exercise through community participation with the medical faculty. She is the faculty advisor for the College of Medicine's Chef Med group and the American Medical Student Association. Teaching mindfulness to many diverse groups throughout UK is a part of her job that she finds quite rewarding and beneficial for both student and teacher. In her free time, Dr Jennings practices yoga, swims, reads historical biographies and is a dedicated tree lover.

FROM YOUR PRESIDENT

Dear Friends,

I hope you are having a great Fall. The semester is well underway at UK and we will soon have our next luncheon on November 8th. For those who couldn't attend the last luncheon, you missed a great presentation by Chief of Police Lawrence Weathers. He had just come from a news conference with Mayor Gorton about recent gun violence, so we thankfully were a less stressful event for him.

We had such good reviews from the September 13th luncheon that we have arranged for the Good Barn venue again and will serve box lunches. Please complete the form in this newsletter so that we can have your lunch choice available. The University is allowing us to park on the grass toward University Drive, so we will have no parking problems. We will have people outside to guide you for parking. Our speaker for the November meeting is Dr. Connie Jennings, Medical Director of UK Integrative Medicine and Health. She will give us tips on staying healthy. She is a well-known and highly recommended speaker.

We will be choosing our fellowship recipients soon and they will make short presentations at our February meeting. Information on the fellowship, selection procedures, and past recipients is available at <https://www.uky.edu/UKAEF/fellowship.htm>. I encourage you to donate for the Fellowship if you can.

I also ask that you make a personal contact with retired faculty members who have not joined our group this year. The Association has four outstanding programs each year and represents retired faculty members in many ways. New members can also bring new ideas on ways that the Association can improve.

I hope to see you in November!
Michael R. Reed, AEF President

SPECIAL THANK YOU

We would like to extend a special thank you to **Jim & Ann Chapman** for their generous donation to the fellowship fund at the Magna Cum Laude (\$500-\$2,500) level during the 21/22 year.

They were inadvertently left off the list in the September newsletter because their donation was made directly to the graduate school to **fully fund one of the fellowships** that UKAEF awards.

If you make a donation directly to the University to fund the fellowship program please let us know so that we can include you in our yearly thank you list.
