## NEW UKAEF LISTSERVE

Twice in the past we have had to reschedule or change the venue for our luncheon meetings due to inclement weather, both in February. This required phoning everyone signed up to attend, a daunting task. So we are setting up a free G-mail account with LISTSERV capabilities, allowing us to contact those with email capability more efficiently and quickly.

In case of a change in luncheon plans, we will send an email as soon as possible but no later than 9:30 a.m. on the scheduled date. So if the weather looks bad enough that rescheduling might be necessary, check your email after 9:30. The LISTSERVE will also enable us to inform you about news or events with special interest to retirees that might come up between newsletters. The G-mail address is: <http://groups.google.com/group/UKAEF>.

We currently have all e-mail addresses you put on the membership forms when you signed up this fall and we will use those email addresses to populate the LISTSERVE. For this system to work, however, you need to notify Casie Clements ([casiecc@insightbb.com](mailto:casiecc@insightbb.com)) if you change your email address. The system will become operational in January.

## GIFFORD BLYTON: 1908-2010

Gifford Blyton, one of the five founders of the UKAEF, was the author of the organization's by-laws, served as its first president, and was chair of the Legislative Committee for several years. As a professor of Speech, he initiated in 1948 a debate program, that had by 1969 garnered over 700 trophies. Well into his 90's, he served as parliamentarian for the UK Senate.
