TRANSMITTAL

DATE: March 18, 2003

TO: Angel Clark
Senate Council

FROM: Lissa Holland 
Graduate Council

The Graduate Council met on March 13, 2003, and approved the following:

COLLEGE OF HUMAN ENVIRONMENTAL SCIENCES

Nutrition and Food Science

COURSE CHANGES:

NFS 610 – Hospitality and Dietetics Administration & Assessment (3 credits)

(Change in title, description, prerequisites)

Change to:

NFS 610 – Marketing in Hospitality and Dietetics (3 credits)

This course overviews the discipline of marketing as it relates to the hospitality and dietetics professions. Special emphasis will be placed on the analysis of the marketing environment, marketing strategies and the diversity of marketing practices used by the hospitality industry and dietetics profession. This course will provide opportunities for students to develop appropriate marketing approaches in today's increasingly competitive and complex global marketplace. *Prerequisites:* MKT 300 or HMT 320 or equivalent course.

NFS 646 – Institution Organization and Management (3 credits)

(Change in title, description)

Change to:

NFS 646 – Advanced Information Technology in the Hospitality Industry (3 credits)

This course will engage students in the latest technology used by the hospitality industry and the dietetics profession for advancement of human, material and financial resources.

The Graduate School
Patterson Office Tower
Lexington, KY 40506-0027
(859) 257-8142

will be 323-1928
www.uky.edu/gsl

Strategies and applications using technology to gain competitive advantage will be investigated. The class will be conducted on-line. Students will have the opportunity to do the class completely on-line or a combination of traditional classroom and on-line teaching.

NFS 648 – Institution Administration (3 credits)

(Change in title, description, prerequisites)

Change to:

NFS 648 – Management of Hospitality and Dietetics Organizations (3 credits)

This course will engage students with the theories and their application in the area of leadership and management of people, resources, finances, information and internal and external customers as they relate to dietetics, food service and hospitality professions.

Prerequisites: Admission to graduate program, NFS 346 or equivalent course.

NFS 690 – Advanced Work in Dietetics (3 credits)

(Change in description, prerequisites, lecture/lab ratio)

Change to:

NFS 690 – Advanced Work in Dietetics (3 credits)

Evaluation of administrative practices in dietetics. This course will examine topics related to managing dietetics services including medical nutrition therapy protocols, dietetics outcomes research, parenteral and enteral support, clinical pathways, JCAHO requirements, state and institutional policy controls, reimbursement for dietetics services, in-patient and out-patient quality management, and hospital outreach programs.

Prerequisites: Admission to graduate program. Lecture only course.

NFS 784 – Special Problems in Institution Management (3 credits)

(Change in title, description, prerequisites)

Change to:

NFS 784 – Special Problems in Financial Management (3 credits)

A current events approach to the financial and accounting decision-making process in dietetics and hospitality administration. The course will prepare advanced students in dietetics and hospitality administration to analyze and make sound financial decisions in settings relevant to the dietetics profession and the hospitality industry. **Prerequisites:** Admission to graduate program, ACC 201 or HMT 350 and FIN 300 or equivalent courses.
