What has prompted this proposal?

A new text has been adopted that upgrades the level of the material. There is more emphasis on understanding trade concepts using a graphical analysis

6. If there are to be significant changes in the content or teaching objectives of this course, indicate changes:

It is used in senior and M.S. level courses throughout the U.S. The theory covered is more encompassing than the past course. The objectives are to provide a comprehensive theoretical coverage of the major issues in contemporary agricultural trade.

What other departments could be affected by the proposed change? _____

Will changing this course change the degree requirements in one or more programs?*

If yes, please attach an explanation of the change.*

9. Is this course currently included in the University Studies Program? Yes No

If yes, please attach correspondence indicating concurrence of the University Studies Committee.

10. If the course is a 100-200 level course, please submit evidence (e.g., correspondence) that the Community College System has been consulted.

*NOTE Approval of this change will constitute approval of the program change unless other program modifications are proposed.
