## 7. Why is this course needed?

A

We have a growing population of English as a Second Language (ESL) students who are not being well served by our current offerings. ESL students benefit from reading instruction which addresses their unique needs. ESL students also require extensive vocabulary development focusing on issues of nuance, situational variables, and grammar. Due to Mandatory Placement it is imperative that we offer appropriate classes for our ESL students This course will be the first step in preparing ESL students to read successfully in content classes.
