COLLEGE OF EDUCATION

Department of Kinesiology and Health Promotion

Change in Undergraduate Program: Teacher Certification Option and Business Option

Major or Professional Course Requirements: (see Related Studies area)

From: ANA 299

To: ANA 209

Rationale: ANA 299 was dropped by the Department of Anatomy and Neurobiology and replaced with ANA 209 - Principles of Human Anatomy. Both the Teacher Certification Option and Business Option should reflect that change in their related studies areas.

Change in Undergraduate Program: B.S. Exercise Science

Major or Professional Course Requirements: Area of Specialization

From: PHY 201

To: PHY 211

Rationale: PHY 201 was dropped by Physics and Astronomy and replaced with PHY 211. The Exercise Science area of specialization should reflect that change.

Within the program area of Kinesiology there are two primary areas - teacher certification and non-teacher certification. The exercise science option is an area of specialization under the non-teacher certificate area. Physics is required only in the exercise area of specialization.

COLLEGE OF BUSINESS AND ECONOMICS

UNIVERSITY BULLETIN CHANGE (page 108, third sentence)

From: "Students are required to earn at least 50 percent of their business credit hours required for the business degree at the University of Kentucky with a 2.0 grade point standing. In addition, 50 percent of the departmental major credit hours must be earned at the University of Kentucky."

To: "Students are required to earn at least 50 percent of their business credit hours required for the business degree at the University of Kentucky. A minimum GPA of 2.00 is required in all courses taken at the University of Kentucky used to satisfy the College core. Additionally, a minimum GPA of 2.00 is required in all courses taken at the University of Kentucky used to satisfy upper division departmental requirements."

Rationale: The AACSB Business Advisor raised the issue of having entrance requirements higher than graduation requirements. The Gatton College Undergraduate Studies Committee surveyed its benchmarks and drafted the above policy, which is consistent with the benchmarks. The faculty passed it.

UNIVERSITY BULLETIN CHANGE (Under the section, "Electives," on page 109)

From: "Six hours of electives must be taken from outside the Gatton College of Business and Economics."

To: Twelve hours of electives must be taken from courses outside the Gatton College of Business and Economics (six of these hours, if taken for a letter grade, may be used to satisfy the USP Cross-Disciplinary requirement)."

Rationale: Due to changes in the University Studies Program, six additional hours are available for free electives. In order to assure the Gatton College remains in compliance with AACSB standards, it is necessary that these six hours continue to be taken outside the Gatton College.
