INSTRUCTIONS:

The following questions are included as an outline only. Be as specific and as brief as possible. If the investigation was routine, please indicate this. Attach supplements as needed. Please return the form to Lissa Holland, 355 P.O.T., 0027, at least two days before the next Council meeting.

1. List any modifications made in the course proposal as submitted originally and reason(s) why.

This was a routine investigation. This variable credit course can be taken for a maximum of 6 semester hours. It is designed to give students with an interest in health behavior, viewed from a public health perspective, a chance to engage in independent study with a faculty member.

2. If no modifications were made, review considerations which arose during the investigation and the resolutions.

None identified

3. List contact(s) with program units and the considerations discussed therein.

None made.

4. Additional information as needed.
