

# COLLEGE OF NURSING

Our goal is to help you reach yours

## MedVet-BSN Option

### Are You a Medically Trained Veteran Who's Ready to Pursue a Bachelor of Science in Nursing?

There's no reason to wait! The MedVet-BSN Option awards course credit for previous education and experience.

#### Admission Requirements

Requirements include but are not limited to:

- Completion of Combat Medic Training
- Review of JST and CLEP with academic credit transfer for college courses
- Cumulative GPA 2.75 or higher and cumulative science GPA of 2.75 or higher for prerequisite courses listed below, with a minimum grade of "C" in each

The application deadline is April 1. Applications will be reviewed after the deadline and decision letters mailed on a rolling basis.

#### Curriculum

UK Core (university general education) requirements must be completed before a degree is awarded. UK Core courses may be taken with NUR courses or during summer terms. Electives may be required to fulfill minimum, in-residence university credit hour requirements. A transcript evaluation prior to application is required. The evaluation will help to determine courses you need to complete.

#### Sample Plan of Study

MedVet-BSN follows the Second Degree BSN curriculum.

#### Prerequisites

- 3-credit hour course in human anatomy
- 3-credit hour course in physiology
- 3-credit hour course in biology
- 3-credit hour course in general microbiology

- 3-credit hour course in general statistics
- 4-credit hour course in general chemistry (Must be equivalent to CHE103 at UK.)
- 3-4 credit hour course in general psychology

<b>First Year, First Semester</b>	<b>Credit Hrs.</b>
NUR 210 Patho/Pharmacology	3
NUR 221 Introduction to Professional Nursing Care Across the Lifespan for Second Degree Students	8
DHN 212 Introduction to Nutrition	3
<b>Subtotal</b>	<b>14</b>
