The School of Interiors provides undergraduate students with professional training in order to design by giving physical shape, identity, and meaning to interior space through specialized knowledge, art, and craft that addresses the holistic human response of people in buildings. The foundation of the major is the studio experience, which is taken each semester and provides the framework for the integration of all program knowledge and technical skills in the design of interior environments.

**Freshman Year**

**FALL SEMESTER**
- ID 171 - DESIGN PROFESSION 1 - **1**
- ID 121 - DESIGN STUDIO 1 - **5**
- ID 161 - HISTORY AND THEORY 1 - **3**
- UK Core - Comp. & Comm. I - **3**
- UK Core - Arts and Creativity - **3**

**TOTAL HOURS: 15**

**SPRING SEMESTER**
