TRANSFER CREDITS
Once you have submitted all of your transcripts and records, stop by our Admissions Office to meet with a Transfer Advisor. We can provide you with an evaluation of your courses from institutions all over the world. However, it is up to you or your current institution to accept or reject any transferable credits for your courses.

Your credits will transfer!
• University of Kentucky accepts an unbounded number of college credits from transfer institutions.
• All accepted college-level credits must result from the appropriate courseworkances.

GET READY
Once you have submitted all of your materials, you can contact your Transfer Advisor to discuss how your previous experiences will help you succeed in earning a degree from the University of Kentucky. Please bring any additional materials you want to study or earn. If you are still unsure, your Transfer Advisor can guide you through the remaining possibilities at UK.

Are you still at another institution? Transfer Advisor can work with you to develop a custom pathway to help you earn your next degree.

FINISH
You may be finished with the submission process, but a student advisor/transfer coordinator is waiting for you at the University of Kentucky. Check out UK’s many housing opportunities at HousingAdvisors. Visit the University at: Admissions or use student services online at: MyUK. The University of Kentucky is to get to know your new city.
SCHOLARSHIPS

Transfer students have unlimited scholarship opportunities to make coming to the University of Kentucky more attainable. We offer academic, competitive, diversity, and incoming scholarships to both in-state and out-of-state students. A variety of scholarships are also available through our many academic colleges and departments specifically for transfer students.

- ACADÉMIC+ SCHOLARSHIP: for transfer students awarded based on academic achievements and major. Visit our website for more information.
- 85% of University of Kentucky students receive financial aid in addition to scholarship opportunities, and you could be one of them! Complete the FAFSA with the University of Kentucky school code (001989) to see what financial support is available to you. Prospective and admitted students also have access to specialized Financial Aid Counselors to help them secure funding for their education.
