CARES seeks to provide a comprehensive academic support system for African-American, Hispanic, Latino, and Native American students. Programs and activities are designed at each level to assist students in achieving academic excellence.

SOAR focuses on professional and leadership development that enhances career preparedness for seniors entering the job market or attending graduate/professional school.

Components of SOAR

Leadership Development:
Workshops to Develop and Enhance Leadership Skills

Career Preparation:
Internships and/or Shadowing
Career Fairs
Resume Writing
Networking Opportunities

Academic Planning:
Check-list to Graduation
Graduate & Professional School Entrance Exam Workshops
Graduate & Professional School Showcase
