PROCEDURES FOR USE, PREPARATION AND HANDLING OF UNIVERSITY OF KENTUCKY REQUISITION

This document requires you to obtain document numbers before processing the form. Document numbers will be given out in minimum blocks of 50 numbers or multiple blocks of 50 at a time. Blocks of numbers may be obtained by contacting Stores at (859) 257-6116.

Please insure you do not exceed the block of numbers you are assigned in order to avoid duplications.

You will need to keep a separate log for document numbers as they are assigned and used. This can be separate Word documents or a notebook. A Word document listing the document number, vendor or department sent to and the date issued is provided for your use (brrlog.doc).
