**Notes:**
- All covered services must be delivered by providers in your network. Services will not be covered at any other provider unless it is an emergency.
- We make every effort to ensure that our lists of doctors are up to date and accurate. Doctors do leave our networks from time to time, and these listings do change. There may be higher fees associated with visiting a doctor who is not in our network or for obtaining a service that is not covered by your plan. You may be responsible for those costs. To avoid higher fees we recommend that you confirm your doctor is in network and that the desired service is covered when scheduling your appointment. Please note that depending on your plan and benefits, some specialists may be able to serve as your primary care physician. To verify your benefits or copay, please check your certificate of summary of benefits or call customer service.

While we make every effort to ensure that our lists of doctors are up-to-date and accurate, doctors do leave our network from time to time, and these listings do change. There may be higher fees associated with visiting a doctor who is not in our network or for obtaining a service that is not covered by your plan. You may be responsible for those costs. To avoid higher fees we recommend that you confirm your doctor is in network and that the desired service is covered when scheduling your appointment. Please note that depending on your plan and benefits, some specialists may be able to serve as your primary care physician. To verify your benefits or copay, please check your certificate or summary of benefits or call customer service.

### Covered Services

All covered services must be delivered by providers in your network. Services will not be covered at any other provider unless it is an emergency.

While we make efforts to ensure that our lists of doctors are up to date and accurate, doctors do leave our networks from time to time, and these listings do change. There may be higher fees associated with visiting a doctor who is not in our network or for obtaining a service that is not covered by your plan. You may be responsible for those costs. To avoid higher fees, we recommend that you confirm your doctor is in network and that the desired service is covered when scheduling your appointment. Please note that depending on your plan and benefits, some specialists may be able to serve as your primary care physician. To verify your benefits or copay, please check your certificate or summary of benefits or call customer service.

The text you've provided appears to be a directory of medical professionals and facilities. It contains names, addresses, telephone numbers, and some brief descriptions of services offered. However, it's not clear how this information would be relevant to the context of a university health plan or a list of covered providers. The document seems to be a comprehensive directory of medical professionals and facilities, but without specific questions or context, it's not possible to extract meaningful text that aligns with the university health plan.

**All Covered Services Must Be Delivered by Providers in Your Network. Services Will Not Be Covered at Any Other Provider Unless It Is an Emergency.**

While we make every effort to ensure that our lists of doctors are up to date and accurate, doctors do leave our network from time to time and these listings do change. There may be higher fees associated with visiting a doctor who is not in our network or for obtaining a service that is not covered by your plan. You may be responsible for those costs. To avoid higher fees we recommend that you confirm your doctor is in network and that the desired service is covered when scheduling your appointment. Please note that depending on your plan and benefits, some specialists may be able to serve as your primary care physician. To verify your benefits or copay, please check your certificate or summary of benefits or call customer service.

All covered services must be delivered by providers in your network. Services will not be covered at any other provider unless it is an emergency.

While we make efforts to ensure that our lists of doctors are up to date and accurate, doctors do leave our network from time to time, and these listings do change. There may be higher fees associated with visiting a doctor who is not in our network or for obtaining a service that is not covered by your plan. You may need to pay those costs. To avoid higher fees we recommend that you confirm your doctor is in network and that the desired service is covered when scheduling your appointment. Please note that depending on your plan and benefits, some specialists may be able to serve as your primary care physician. To verify your benefits or copays, please check your certificate or summary of benefits or call customer service.
YOU MAY BE RESPONSIBLE FOR THOSE COSTS. TO AVOID HIGHER FEES WE RECOMMEND THAT YOU CONFIRM YOUR DOCTOR IS IN NETWORK AND THAT THE DESIRED SERVICE IS COVERED WHEN SCHEDULING YOUR APPOINTMENT. PLEASE NOTE THAT DEPENDING ON YOUR PLAN AND BENEFITS, SOME SPECIALISTS MAY BE ABLE TO SERVE AS YOUR PRIMARY CARE PHYSICIAN. TO VERIFY YOUR BENEFITS OR COPAY, PLEASE CHECK YOUR CERTIFICATE OR SUMMARY OF BENEFITS OR CALL CUSTOMER SERVICE.

WHILE WE MAKE EFFORTS TO ENSURE THAT OUR LISTS OF DOCTORS ARE UP TO DATE AND ACCURATE, DOCTORS DO LEAVE OUR NETWORKS FROM TIME TO TIME, AND THESE LISTINGS MAY BECOME OUTDATED. THIS LISTING WAS COMPILED AS OF JUNE 2015.

WHILE WE MAKE EFFORTS TO ENSURE THAT OUR LISTS OF DOCTORS ARE UP TO DATE AND ACCURATE, DOCTORS DO LEAVE OUR NETWORKS FROM TIME TO TIME, AND THESE LISTINGS ONLY REFLECT OUR BEST EFFORTS TO KEEP THEM ACCURATE. FOR THIS REASON, PLEASE CONTACT US TO CONFIRM THAT YOUR DOCTOR IS IN NETWORK AND THAT THE SERVICES YOU NEED ARE COVERED UNDER YOUR PLAN.

ALL COVERED SERVICES MUST BE DELIVERED BY PROVIDERS IN YOUR NETWORK. SERVICES WILL NOT BE COVERED AT ANY OTHER PROVIDER UNLESS IT IS AN EMERGENCY.
