The College of Health Sciences provides an array of programs that allow you to study Clinical Leadership & Management in an international setting. Immerse yourself in another culture, expand your knowledge of Clinical Leadership & Management, and explore what the world has to offer with any of the exciting opportunities available to you!

**Why study abroad?**
- Experience Clinical Leadership & Management first-hand
- Globalize your world view
- Expand your intercultural understanding and problem-solving skills
- Prepare to work in an increasingly diverse and international workplace
- Gain new insight into the world and yourself
- Increase your language skills

As a student of Clinical Leadership & Management, one of the best ways to increase your knowledge is to immerse yourself in various cultures and diverse environments. There is no substitute for the experience that a semester, year, summer, or winter abroad will give you.

**What can I afford to study abroad?**

The Education Abroad office offers scholarships for students interested in studying abroad. These scholarships range from $570 to $1,500. Stop by one of the information sessions on scholarships or visit the Education Abroad website for more information.

Additionally, most UK financial aid applies towards the cost of studying abroad! Check with your financial aid advisor for more information.

Finally, please note that there are several education abroad programs that are comparable to the cost of attending UK. So, with a little bit of planning, you can afford to attend UK, you can afford to study abroad.

**Do I have to speak a foreign language to study abroad?**

Absolutely not. There are plenty of programs in English-speaking countries. Furthermore, students can find classes taught in English in practically every country. Of course, there are also plenty of excellent programs for students who prefer to study in a foreign language.

**Where can I study abroad?**

There are many opportunities to study all over the world! From the metropolitan buzz of London to the tropical landscape of Costa Rica, UK offers a wide array of programs that allow students to study in all parts of the globe.

**What are my next steps?**

- Attend a First Step Session.
- Find out what you can study abroad and where, and ask questions about the application process, financial aid and scholarships, etc. First Step Sessions are held on Mondays and Tuesdays from 5-6 p.m. in 207 Bradley Hall.
- Explore the programs available.
- Search online or visit the Education Abroad Resource Center in 315 Bradley Hall.
- Talk to an Education Abroad advisor.

Each UK Education Abroad advisor has expertise in specific majors and geographic regions. Check the website and make an appointment with the advisor who is an expert on the programs in which you are interested.
UK Exchange
These offerings include university-wide or departmental exchanges and select ISEP Exchange programs. Students pay UK tuition fees and earn transfer credit while abroad.

UK Direct
These offerings include select programs hosted by an international institution in which UK is a voting member. Tuition fees and earn transfer credit while abroad.

UK Consortium
These offerings include select programs based for providing an embedded component for service-learning based programs, for which UK students earn transfer credit.

UK Partner
These offerings include select third-party provider programs and other internship or service-learning in the United Kingdom and around the world.

When should I study abroad?
Most UK students study abroad during their sophomore or junior years. However, there are programs available for freshmen and senior students as well.

Another important decision to make is what time of year to study abroad. Programs are available for the academic year, the Fall and Spring semesters, Winter Intercession, and the Summer sessions. It is also possible to take a spring-embedded course, which is a class taught at UK with an international component during spring break or early summer.

Because many foreign institutions follow different academic calendars, it is important for students to consider the specific dates of the program far in advance. For example, many fall semester programs in the Southern Hemisphere may run from July to November and from February to June during the American spring semester.

Similarly, it may be difficult for students to study at some European institutions for the fall semester. Final exams may be scheduled in early January, and many programs do not make allowances for US students. Please be sure you consider this issue in advance.

Many students choose to study abroad during the Summer or Winter sessions. There are two summer sessions available: Summer I and Summer II. Summer I programs typically occur during May and early June, while Summer II programs tend to start late in the summer and end in late July or early August. The Winter Intersession occurs between the fall and spring semesters.

UK Direct Exchange Abroad Programs
University of Sunderland (ISEP Direct)
Sunderland, England
Language Req: None
Class Standing: Sophomore & Above
Minimum GPA: 2.75
Terms Offered: Year, Fall, Spring

Available courses include The Politics of Health, Community Health, Health Promotion Theory and Practice, Social Exclusion and Health, Work-Based Partnerships, Law & Ethics, and many more.

Worried that studying abroad will delay your graduation?
It doesn't have to! Clinical Leadership & Management majors of all varieties are able to complete an education abroad program and graduate in a timely fashion.

Even for those attending part-time because of employment, short-term programs are available in various locations. Many short-term programs are available for the academic year, the Fall and Spring semesters, Winter Intersession, and the Summer sessions.

How do I choose the education abroad program that is right for me?
Look through the information in this advising guide for an overview of the programs available to UK students. You can also find more detailed descriptions online. To get started, it is important to consider the type of program you would like to attend, descriptions of which are outlined above. Consider the following important questions.

UK EU Exchange Education Abroad Programs

Exploring Health & Elder Care in Great Britain
Cardiff, Wales; Multiple, England; Multiple, Scotland
Language Req: None
Class Standing: Sophomore & Above
Minimum GPA: 2.0
Terms Offered: Summer

An international perspective can be gained and meet the healthcare needs of people in any country. Students interested in the health and social care of older people will want to take advantage of this opportunity to learn first-hand about service and policy developments for elder care in an international context. Participants will have the opportunity to study in the United Kingdom to visit England, Scotland and Wales. Through visits to clinics, government agencies and universities, students will identify how each of these countries attempts to meet the needs of an aging population.

When can I study abroad?
You can study abroad for an entire academic year, during the Fall or Spring semesters, Winter Intersession or after the Summer. Speak with an academic advisor to determine when it would fit best for you.

Will I earn credits while abroad?
Yes! Earn credit towards your major, any minor, and/or fulfill a course requirement. Please be sure to familiarize yourself with the policies of the credits you are earning.

Where will I live?
Most programs provide accommodation for students in residence halls and foreign student dormitories. Some programs, particularly those that focus on language immersion provide the option of living with a local family.

How much does it cost?
Programs vary in cost depending on the program type, duration, and provider. Please be sure to familiarize yourself with the costs of the programs you are considering.

By Kevin & Sheri Collins Endowment
