Where do I start?

1. Begin asking yourself (and your advisor) these questions:
   - When is the best time for me to do a program abroad?
   - What academic credit do I hope to receive?
     (It’s often easier to find courses non-technical courses and elective credit abroad)
   - What are my career goals and how could an education abroad program help me reach them?

2. If you don’t already have one, apply for a passport. The WildCard ID Center in room 107 of the Student Center can help you process the application.

3. Attend a First Step Information Session. These sessions explain all the in’s and out’s of education abroad such as program types, financial aid, scholarships, academic credit, etc.
