**What are my next steps?**

If you have general questions about education abroad or want more information about the different types of programs available, speak with a Peer Ambassador in our Advising Center in 315 Bradley Hall.

Also, take this MAP to a meeting with your academic advisor. Use your degree plan to discuss which programs offer courses you might be able to use to fulfill the remaining requirements in your degree. Ask the following questions:

- **Do any of the course titles available abroad appear similar to courses in my degree plan?**
- **Are there major elective requirements in my degree plan that could be met by some of the courses abroad?**
- **Are there courses outside my major in my degree plan? If so, take a look at the MAP for that major to see other program opportunities.**

Once you have narrowed down your choices to a few programs, contact your education abroad advisor to speak about program specifics and the application process.
