Completing the PE Process – Progress Line and Introduction

After accessing the PE form both the employee and supervisor can view the progress line. This gives you a quick update of which step the PE form is currently in.

There is also an introduction that explains the process from beginning to end.

Completing the PE Process - Step One: Employee Self Evaluation

The PE form in the UK Online PE System starts with an Employee Self Evaluation. Each Major Job Responsibility has its own section where employees self-rate each Essential Function and enter comments to support their ratings.

To review what the rating levels mean, click on the Manager Rating link. The window to the right will open, in which detailed information will be presented for each rating.

Reminder: Only whole numbers are permitted for Essential Function rating levels.

Manager fields are not open for input in this step.

To enter Essential Function ratings, click on the Edit Goal button.

Employee fields are open for input. This information will not be visible to the manager until the form is sent to the manager.

Below the MJR sections, you will find the Behavioral Expectations. These can be rated on a 1 to 3 level and are not included in the overall PE score, unless you are UK HealthCare Leadership.

The Writing Assistant gives you examples of behaviors exemplifying the Behavioral Expectations at each rating level.

Any professional development goals entered on the Professional Development Goal Plan will be included at the bottom of the PE form. There are no rating fields for these goals as they are not included in the overall PE score.

These records can be removed from the PE form.

The PE form can be saved at any time by clicking on the **Save** button at the top of the screen.

The PE form can also be saved and closed to allow for multiple work sessions. To do this, click on the **Save and Close** button at the bottom of the screen.

The employee sends the PE form to their manager by clicking on the **Send to Manager** button which is at the top and bottom of the PE form. **After the Legal Scan, there is a second confirmation step that must be completed before the form is sent to the manager.**
Completing the PE Process - Step Two: Manager Review

After the employee sends the PE form to the manager, it is now time for the manager to input their ratings and comments related to the employee’s performance.

The manager fields are now open for input. The information entered in these fields will not be visible to the employee until the form is sent to the employee for signature.

After clicking on the Edit Goal button, you can enter ratings for each Essential Function.

Click the button at the bottom of the screen when finished.
Completing the PE Process - Step Two: Manager Review, continued

UK HealthCare’s Behavioral Expectations are the tenets around which the commitment to service excellence can be organized. These commitments prescribe our interactions with our patients and everyone we come into contact with during our workday and the actions we will take to provide excellent customer service. By following these commitments, we will promote a positive image of UK HealthCare as a preferred patient care provider and workplace of choice. Click on the Writing Assistant link for examples of describing the Behavioral Expectation levels. The manager needs to provide supporting comments for the rating.
