Completing the PE Process – Progress Line and Introduction

After accessing the PE form, at the top of the page, you can view the progress line. This gives you a quick update of which step the PE form is currently in.

There is also an introduction that explains the process from beginning to end.

Performance Evaluation Introduction

The employee may complete a self-evaluation and then forward to his or her manager. The manager will complete the evaluation and make it available for higher-level review. Once higher-level review is complete, the manager and employee will meet to discuss the evaluation. After the meeting additional comments or rating adjustments can be made. Once this is complete the employee and manager will sign the form.

Completing the PE Process - Step One: Employee Self Evaluation

The PE form in the UK Online PE System starts with an Employee Self Evaluation. If you choose not to complete a self evaluation, the PE form still needs to be sent to your manager so the PE process can advance. Per University policy, the self evaluation is optional unless your manager or department makes it mandatory.

Major Job Responsibilities

Each Major Job Responsibility has its own section where you can self-rate and enter comments to support your rating.

In this section employee will self-rate and managers will rate the employee's performance of the MJRs. Updates to the job standards can be made in this section. MJR and Essential Function updates cannot be made here - those updates must be made in the Position Description System.

Completing the PE Process - Step One: Employee Self Evaluation, continued

Below the MJR sections, you will find the Core Competencies (University / Campus employees) or Behavioral Expectations (UK HealthCare employees). These can be rated on a 1 to 3 level and are not included in the overall PE score, unless you are UK HealthCare Leadership.

Any professional development goals entered on the Professional Development Goal Plan will be included at the bottom of the PE form. There are no rating fields for these goals as they are not included in the overall PE score.

	The PE form can be saved at any time by clicking on the Save button at the top of the screen.
	The PE form can also be saved and closed to allow for multiple work sessions. To do this, click on the Save and Close button at the bottom of the screen.
	The employee sends the PE form to their manager by clicking on the Send to Manager button which is at the top and bottom of the PE form. After the Legal Scan, there is a second, confirmation step that must be completed before the form is sent to the manager.

- Managers can make edits to their fields on the PE form based on information gained during the face-to-face meeting with the employee

Completing the PE Process - Step Four: Employee Signature

In this step, you can view the completed PE form, seeing the manager's ratings and comments, methods of evaluation, and the overall PE rating. These fields are now locked and no changes can be made.
