This guide focuses on the steps employees need to take to complete the Online PE process. Accessing the UK Online PE System and basic navigation are covered in prior user guides. To access these guides, visit the Resources tab on the HR Performance Matters webpage: http://www.uky.edu/pe/resources-training-materials

PE forms are not available year-round. PE forms are generated and released one to two months before the PE due date. For Campus employees, the release date is in mid-December; for UK HealthCare employees, the release date is in May.

Completing the PE Process – Progress Line and Introduction

After accessing the PE form, at the top of the page, you can view the progress line. This gives you a quick update of which step the PE form is currently in.

There is also an introduction that explains the process from beginning to end.

Completing the PE Process - Step One: Employee Self Evaluation

The PE form in the UK Online PE System starts with an Employee Self Evaluation. If you choose not to complete a self evaluation, the PE form still needs to be sent to your manager so the PE process can advance. Per University policy, the self evaluation is optional unless your manager or department makes it mandatory.

- Each Major Job Responsibility has its own section where you can self-rate and enter comments to support your rating.
- Employee fields are open for input. This information will not be visible to the manager until the form is sent to the manager.
- Click on the Rating link to review what each rating level means.
- Job Standards and notes input on the Goal Plan will automatically feed into the PE form.
Completing the PE Process - Step One: Employee Self Evaluation, continued

Below the MJR sections, you will find the Core Competencies (University / Campus employees) or Behavioral Expectations (UK HealthCare employees). These can be rated on a 1 to 3 level and are not included in the overall PE score, unless you are UK HealthCare Leadership.

Any professional development goals entered on the Professional Development Goal Plan will be included at the bottom of the PE form. There are no rating fields for these goals as they are not included in the overall PE score.

The PE form can be saved at any time by clicking on the Save button at the top of the screen.

The PE form can also be saved and closed to allow for multiple work sessions. To do this, click on the Save and Close button at the bottom of the screen.

The employee sends the PE form to their manager by clicking on the Send to Manager button which is at the top and bottom of the PE form. After the Legal Scan, there is a second, confirmation step that must be completed before the form is sent to the manager.

---

The Writing Assistant gives you examples of behaviors exemplifying the Core Competencies or Behavioral Expectations at each rating level.

The Legal Scan can be used to identify words or phrases that might be inappropriate and unnecessary. It does not prevent you from using the words or phrases.

These records can be removed from the PE form.
Completing the PE Process - Step Two: Manager Review

After you send the PE form to your manager, it is now time for the manager to input their ratings and comments related to your performance. The information entered by the manager in this step is not viewable by you at this time.

Completing the PE Process - Step Three: 1:1 Meeting

The PE form is parked at the 1:1 Meeting step until the face-to-face meeting between you and the manager has occurred. While the form is in this step:

- Upper-level management can review PE forms for employees in their direct reporting line
- Employees cannot view any rating or comments entered by their manager
- Managers can make edits to their fields on the PE form based on information gained during the face-to-face meeting with the employee

Completing the PE Process - Step Four: Employee Signature

In this step, you can view the completed PE form, seeing the manager’s ratings and comments, methods of evaluation, and the overall PE rating. These fields are now locked and no changes can be made.
Completing the PE Process - Step Four: Employee Signature – continued

You now have the opportunity to add final comments of your own. Click on the Sign button to electronically sign the PE form and send it to your manager.

You can read any comments or performance summary that was entered by your manager. Your signature acknowledges the one-to-one conversation has taken place and the PE form has been reviewed. Your signature does not necessarily mean you agree with the content of the PE form.
Completing the PE Process - Step Five: Manager Signature

After you sign your PE form and send it to your manager, they will have the opportunity to add any final comments they have. They will then sign the PE form to complete the process.
