Campus Tour

To schedule a tour of the University of Kentucky, check out the UK Visitor Center: [www.uky.edu/Admission/visitorcenter](http://www.uky.edu/Admission/visitorcenter).
This tour provides a very broad overview of the campus, UK’s history, and important buildings.

If you would like a more specific College of Public Health tour, please let us know. We would be happy to find a student who can show you the medical center and the buildings where you’ll have most of your classes.
