DEPARTMENT OF HEALTH SCIENCE  
COLLEGE OF HEALTH AND HUMAN DEVELOPMENT  

Measurement/Statistics  
Tenure-Track

The Department of Health Science at California State University, Fullerton (CSUF), invites applications for a full-time Assistant Professor tenure-track faculty position with the appointment beginning in Fall, 2015.

Position
The successful candidate for this position will teach undergraduate and graduate health science courses, with an emphasis on measurement, statistics, and/or other public health topics. Conduct research and engage in other relevant scholarly and professional activities. Advise and supervise student research and graduate theses/projects/exams. Provide service to the department, college, university, and public health profession.

Qualifications
- Earned doctorate in Public Health or related field by time of appointment.
- Evidence of successful teaching, focused ongoing scholarly and/or creative activity with a record of scholarly publications and presentations, potential for obtaining grants and external funding, and potential for leadership activities in professional associations (commensurate with experience).
- Research and professional background in public health. Areas of interest to the department include, but are not limited to, health care financing, health economics, and cost analysis associated with public health and health care systems.
- Strong background in quantitative research methods desired.
- Ability to work successfully with students, colleagues, and the community in a multicultural environment is required.

Rank & Salary
This is a tenure-track position at the rank of Assistant Professor. Salary is highly competitive and commensurate to rank, experience, and qualifications. Periodic salary adjustments are enacted by the state legislature. Additional teaching in summer and intersession is often available. CSU Fullerton offers an excellent comprehensive benefits package which includes health/vision/dental plans; spouse, domestic partner and/or dependent fee-waiver; access to campus child-care; and a defined-benefit retirement through the state system along with optional tax sheltering opportunities. For a detailed description of benefits, go to http://hr.fullerton.edu/payroll_benefits/HealthCarePlans.asp

Job Control Number
23603G-15-023

Appointment Date
August 2015
Application Procedure
Applicants should submit 1) a letter of application summarizing relevant experiences and qualifications; 2) a current curriculum vitae; 3) transcripts of graduate work; 4) copies of teaching evaluation summaries for all courses taught over the past two years; 5) a sample of scholarly work; and 6) three letters of reference. Send application materials to:

Dr. Michele Wood, Search Committee Chair
Department of Health Science
California State University, Fullerton
800 N. State College Blvd.
Fullerton, CA 92831-3599

In addition, please complete an Applicant Data Flow Form via secured website: https://diversity.fullerton.edu/appdataflow and enter the Job Control Number listed above.

Application Deadline
Review of application materials will commence immediately. To assure full consideration, materials should be received by November 1, 2014. Position is open until filled; thus, applicants are encouraged to apply even after November 1.

The Department
The Department of Health Science (with over 1,400 undergraduate and 100 graduate majors) offers a B.S. in Health Science (with focus areas in health promotion and disease prevention, environmental and occupational health and safety, and global health), and an M.P.H. (with focus areas in health promotion/disease prevention, environmental and occupational health, and gerontological health). The Department offers multiple opportunities for collaboration in its research centers, including the Center for the Promotion of Healthy Lifestyles and Obesity Prevention, Cancer Disparities Research Center, and Health Promotion Research Institute. Visit the Health Science (http://hhd.fullerton.edu/hesc) and University (http://www.fullerton.edu) websites for additional information about our programs, offerings, and faculty.

The person holding this position is considered a ‘mandated reporter’ under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.

California State University Fullerton celebrates all forms of diversity and is deeply committed to fostering an inclusive environment within which students, staff, administrators and faculty thrive. Individuals interested in advancing the University’s strategic diversity goals are strongly encouraged to apply. EEO employer. Reasonable accommodations will be provided for qualified applicants with disabilities who self-disclose.
