Role: Market Management Project Analyst  
Assignment: Clinical  
Location: Louisville, KY  
Healthcare isn’t just about health anymore. It’s about caring for family, friends, finances, and personal life goals. It’s about living life fully. At Humana, we want to help people everywhere, including our associates, lead their best lives. We support our associates to be happier, healthier, and more productive in their professional and personal lives. We encourage our people to build relationships that inspire, support, and challenge them. We promote lifelong well-being by giving our associates fresh perspective, new insights, and exciting opportunities to grow their careers. At Humana, we’re seeking innovative people who want to make positive changes in their lives, the lives of our members, and the healthcare industry as a whole.

Assignment Capsule  
Be a part of the Market Operations world – Connect with consumers and expand future opportunity.  
Humana is seeking a Project Analyst who will work directly with a consultant to assist with the implementation and management of highly visible projects. Additionally, the associate will engage with various business partners and be responsible for managing critical features of large scale project. The scope of this work is very diverse.  
- The development and execution of pilots  
- Manage weekly pilot progress reports  
- Identify opportunities for improvement  
- Create and revise internal procedures  
- Partner with Medicare and Clinical business areas  
The role requires a critical thinker who has initiative to manage multiple projects with absolute resilience. Due to the visibility and amount of cross business coordination the individual must have strong written and verbal communication skills.

Key Competencies

- **Accountability:** Meets established expectations and takes responsibility for achieving results; encourages others to do the same  
- **Builds Trust:** Consistently models and inspires high levels of integrity, lives up to commitments, and takes responsibility for the impact of one’s actions.  
- **Collaborates:** Engages others by gathering multiple views and being open to diverse perspectives, focusing on a shared purpose that puts Humana’s overall success first.  
- **Interpersonal Effectiveness:** Understands oneself, effectively manages emotions, listens and communicates with respect, and builds trusting relationships.
Role Essentials

- Proficiency in MS Office
- Experience using Excel Pivot table
- Data Analysis skills
- Good communication skills
- Ability to handle multiple tasks

Role Desirables

- Database management experience
- Bachelor’s Degree
- Prior coding experience
- SharePoint Knowledge

Reporting Relationships

You will report to a Manager. This area is under the leadership of the SVP & Chief Operating Officer.

Additional Information

At Humana, we know your well-being is important to you, and it’s important to us too. That’s why we’re committed to making resources available to you that will enable you to become happier, healthier, and more productive in all areas of your life. If you share our passion for helping people, we likely have the right place for you at Humana. After applying, we encourage you to join our Talent Network as well, so you can stay informed and up to date on what’s happening around our organization in the changing world of healthcare.
