Several short video presentations will be used to illustrate the topics under discussion. Sessions will include:

a) Discussion of the phlogiston theory and the explanation of fire;  
b) Artificial dyes and how they were made permanent;

d) Electricity use/abuse;  
e) Manufacturing and use of pyrotechnics.

Shared Interest Groups - SIGs

SIGs are created by OLLI Members who come together to share an interest. SIG Members work together to create the agenda, resources, determine content and activities.

*If you are interested in creating a SIG, contact one of your OLLI Leadership Council Members or the OLLI Office, we’ll be happy to assist.

SIG Intermediate Bridge

Facilitator: Bob Lindahl

This SIG provides hands-on playing experience for participants who already have some basic knowledge of bridge. Usually, two tables of four players each are arranged with each table playing duplicated pre-dealt hands. After each hand is played comparisons are made and a detailed analysis is provided relating to the bidding, declarer play-of-the-hand, and defensive play. We will be following the bridge rules described in “Bridge for Dummies” by Eddie Kantar. Our bridge sessions will be held each Tuesday from 3 to 4:30 p.m. at the Rowan County Public Library. New enrollees are welcome to join in after the Spring Open House, starting on Tuesday, February 16.
