

Community Communications and Leadership Development

College of Agriculture and School of Human Environmental Sciences

Community Communications and Leadership Development is an interdisciplinary social science major...

The major focuses on such skills as written and oral communication; strategic problem solving; critical thinking; understanding of group, organizational, and community dynamics; and ethical decision making.

The agricultural communications option is a writing-based curriculum that prepares graduates for careers as communications professionals...

Graduation Requirements

To earn the Bachelor of Science in Community Communications and Leadership Development, the student must have a minimum of 120 credit hours with at least a 2.0 grade-point average.

Plan of Study

As a community communications and leadership development major you are required to develop an acceptable Plan of Study during your sophomore year for your junior and senior years.

If you are an upper division transfer student (from another university or from another UK college or department) then you will submit your plan during the first semester you are enrolled in the program.

Students must complete the following:

College Required Hours

Table with 2 columns: Course Name, Hours. Includes GEN 100 Issues in Agriculture (3) and Subtotal: College Required Hours (3).
