Linguistics - B.S.

Linguistics is an interdisciplinary program combining resources from English, anthropology, psychology, philosophy, computer science, and the foreign languages, to develop an understanding of the nature and implications of human language. The Linguistics program provides solid foundations in phonological and grammatical analysis, as well as opportunities to investigate the social, cultural, psychological, and physical aspects of language use.

120 hours (minimum)
Any student earning a Bachelor of Science (BS) degree must complete a minimum of 60 hours in natural, physical, mathematical, and computer science. Please note: courses with an LIN prefix are generally not accepted towards fulfilling this 60-hour requirement. Therefore, be sure to keep this requirement in mind as you choose your course work for the requirements in the major. A complete description of College requirements for a Bachelor of Science degree, including a specific listing of courses applicable to the 60-hour requirement, can be found on pages 119-120 of the Arts and Sciences section of the 2012-2013 Undergraduate Bulletin at: www.uky.edu/Registrar/bulletinCurrent/a_s.pdf.

UK Core Requirements
See the UK Core section of the 2012-2013 Undergraduate Bulletin at: www.uky.edu/Registrar/bulletinCurrent/ukc.pdf for the complete UK Core requirements. The courses listed below are (a) recommended by the college, or (b) required courses that also fulfill UK Core areas. Students should work closely with their advisor to complete the UK Core requirements.

I. Intellectual Inquiry in Arts and Creativity
Choose one course from approved list ................................................... 3

II. Intellectual Inquiry in the Humanities
Choose one course from approved list ................................................... 3

III. Intellectual Inquiry in the Social Sciences
Choose one ANT or SOC course from approved list .............................. 3

IV. Intellectual Inquiry in the Natural, Physical, and Mathematical Sciences
Choose one course from approved list ................................................... 3

V. Composition and Communication I
CIS/WRD110 Composition and Communication I .................................... 3

VI. Composition and Communication II
CIS/WRD111 Composition and Communication II .................................. 3

VII. Quantitative Foundations
Choose one course from approved list ................................................... 3

VIII. Statistical Inferential Reasoning
Choose one course from approved list ................................................... 3

IX. Community, Culture and Citizenship in the USA
Choose one course from approved list ................................................... 3

X. Global Dynamics
Choose one course from approved list ................................................... 3

UK Core Hours ........................................................................................................ 30

Graduation Writing Requirement
After attaining sophomore status, students must complete a Graduation Writing Requirement course. Please see your academic advisor for courses that meet this requirement.

Graduation Writing Requirement Hours: .................................................. 3

College Requirements
I. Foreign Language (completed by Premajor Requirements)

II. Disciplinary Requirements
   a. Natural Science .................................................................................. 3
   b. Social Science .................................................................................... 3
   c. Humanities (completed by Major Requirements)

III. Laboratory or Field Work ....................................................................... 1

IV. Electives ........................................................................................................ 6

College Requirement hours: ........................................................................ 13

Premajor Requirements
Complete the third and fourth semesters of a foreign language (or the equivalent) .......................................................... 6-8

Premajor hours: .................................................................................................. 6-8

Major Requirements

Major Core Requirements
LIN 211 Introduction to Linguistics I .......................................................... 3
LIN 212 Introduction to Linguistics II ............................................................ 3

plus four major area courses:
LIN 500 Phonetics .................................................................................... 3
LIN 505 Linguistic Morphology ................................................................. 3
LIN 512 Analysis of English Syntax .......................................................... 3
LIN 515 Phonological Analysis .................................................................. 3

plus fifteen additional hours of LIN courses of which six (6) or more must be at the 500 level and distinct from the major area courses .......... 15

Major Core hours: .......................................................................................... 33

Other Course Work Required for the Major
For the Related Component:
Choose fifteen hours of additional courses relevant to the major chosen from the fields of anthropology, computer science, modern and classical languages, Hispanic studies, mathematics, psychology, philosophy or courses approved by the Director of the Program ........................................ 15

Other Major hours: ......................................................................................... 15

Electives
Choose electives to lead to the minimum total of 120 hours required for graduation ................................................................. 120

Total Minimum Hours
Required for Degree ...................................................................................... 120
