The demand for arts administrators remains strong. What was once a small niche has transformed into an industry of professionals trained to manage theatres, symphony halls, galleries, museums, community art councils, orchestras, art centers, and many other types of institutions. In fact, the nonprofit arts industry employs approximately 1.3 million individuals annually.

UK’s Arts Administration degree program is designed to teach students the concepts, technologies, and skills necessary to successfully direct an arts organization in a competitive and changing environment. The program advocates a devotion to the arts, an interest in community development and integration, a focus on contemporary and relevant arts trends, and the belief that we can create a positive change by taking skills and knowledge out of the classroom and into the world.

Admission
To be admitted into the Arts Administration Program as a major, an applicant must first:
1. be enrolled in the University of Kentucky;
2. complete 45 semester hours of course work;
3. have a minimum 2.8 cumulative grade-point average; and
4. complete premajor core requirements (AAD 150, AAD 200, AAD 202, ACC 201, ECO 201, and CIS/WRD 111 with a cumulative grade-point average of 3.0).

Students meeting these requirements will be accepted as majors in the program. Applications for admission must be submitted before the end of the semester prior to a student taking an upper division Arts Administration course.

Students who want to be a major, but have not met one or more of the above requirements will be designated as “premajors.” There is no application procedure for students to become Arts Administration premajors. Upon their request, premajors will be assigned Arts Administration advisors and folders will be created for them.

Students in arts administration must complete the following program requirements:
