Arts Administration (B.A.)

With the increase in the number of performing and visual arts facilities, arts councils and arts advocacy groups, there is a growing need for individuals with both artistic sensibilities and business acumen to work in these organizations. Through the arts administration program, students take classes in the disciplines of art, dance, music, and theatre, plus a wide range of courses related to the business management of nonprofit arts organizations. The program prepares students for entry-level management positions in arts organizations and for graduate study.
