#OPH 801 M1-M2 ELECTIVE IN OPHTHALMOLOGY. (1)
This is a clinically oriented course designed for first and second year medical students interested in an introduction to basic ophthalmologic examination. Along with learning proper examination technique, students will be introduced to basic anatomy of the eye and common ailments affecting the visual system. Learning and assessment will be done through small-group workshops with clinical skills sessions in the eye clinic. Prereq: Current M1 or M2 student in good academic standing.

OPH 815 FIRST-YEAR ELECTIVE, OPHTHALMOLOGY. (1-3)
With the advice and approval of his or her faculty adviser, the first-year student may choose approved electives offered by the Department of Ophthalmology. The intent is to provide the student an opportunity for exploration and study in an area which supplements and/or complements required course work in the first-year curriculum. Pass-fail only. Prereq: Admission to first year, College of Medicine.

OPH 825 SECOND-YEAR ELECTIVE, OPHTHALMOLOGY. (1-4)
With the advice and approval of his or her faculty adviser, the second-year student may choose approved electives offered by the Department of Ophthalmology. The intent is to provide the student an opportunity for exploration and study in an area which supplements and/or complements required course work in the second-year curriculum. Pass-fail only. Prereq: Admission to second-year medical curriculum and approval of adviser.

#OPH 849 ELECTIVE: EXTRAMURAL ROTATION IN OPHTHALMOLOGY. (4)
Clinical electives allow students to gain exposure to medical specialties reflecting their career interests. Extramural electives allows students to experience clinical care in different environments at different institutions. Through this extramural clinical elective, the student will complete a clinical rotation in Ophthalmology at another institution. The specific rotation details and institution must be approved by the course director. Prereq: Promotion to the Advanced Development Phase of the M.D. curriculum.

OPH 850-899 FOURTH-YEAR ELECTIVE FOR MEDICAL STUDENTS. (1-6)
With the advice and approval of the faculty adviser and the Student Progress and Promotions Committee, the fourth-year student may choose approved electives offered by the various departments in the College of Medicine. The intent is to provide the student an opportunity to develop his fund of knowledge and clinical competence. Prereq: Admission to the fourth year, College of Medicine and/or permission of the Student Progress and Promotions Committee.
