“The knowledge and educational experiences that I gained from my college career were expected. But what I did not anticipate was how important being part of a “family” of supportive, challenging professors and insightful, encouraging peers would be. With the help of those around me and by playing an active role myself, I am leaving with much more than my diploma. I encourage everyone to do the same.”

Requirements for the Bachelor of Arts Degree

Students who wish to pursue the Bachelor of Arts degree within the College of Fine Arts must fulfill the following requirements:

University Requirements

All students must fulfill University Studies requirements. Students should work closely with advisors in selecting courses in each area.

College Requirements

1. Students must complete at least 120 hours of course work or its equivalent with a grade-point average of at least 2.0. Of these hours, 39 must be at or above the 300 level.

2. In addition to the Basic Skills requirement for foreign language in University Studies, students in music and students in art history (major or minor) must 1) satisfy a four-semester sequence in one language by passing the fourth semester or by demonstrating equivalent competence, or 2) pass the third semester course in one language and the second semester course in a second language or demonstrate equivalent competence.

3. Students must complete a major program.

Requirements for a Major

The major – selected from art education, art history, art studio, music, theatre, or arts administration – must include at least 45 credit hours. Among these 45 hours students must include the following:

1. At least six hours of premajor work.
2. At least 18 hours at or above the 200 level in a departmental or school program.
3. At least 9 hours in work related to but outside the major department. Courses which are used to fulfill University Studies requirements may also be used to fulfill this related work, when appropriate.

In addition, students must complete the departmental or school requirements that have been established. Specific major requirements are outlined in detail under the appropriate department and school sections which follow.

Requirements for the Bachelor of Fine Arts Degree

The University and College requirements for the B.F.A. are the same as the B.A. requirements outlined above.

Requirements for the Bachelor of Music in Music Performance and in Music Education

These requirements are outlined with other program requirements under the School of Music.

Advising

Department of Art

Academic advising is provided by selected faculty in the area of the student’s major (art education, art history, or art studio). Upon declaring a major, the student should contact the Department of Art and request an advisor.

School of Music

The School of Music has a personalized, faculty-based advising system. Each music major is assigned a faculty advisor who is particularly familiar with the student’s undergraduate music degree. That faculty member serves as advisor/counselor through the student’s final semester and graduation.

Department of Theatre

Students interested in applying to the B.F.A. in Acting program must successfully complete an acting audition. Contact the coordinator of the B.F.A. Acting program for audition information. Students must successfully complete an annual audition and meet all B.F.A. requirements to retain B.F.A. status.

Students interested in applying to the B.F.A. in Design and Technology program must arrange for an interview. Contact the coordinator of the B.F.A. Design and Technology program for further information. Students must successfully complete their annual portfolio review and meet all B.F.A. requirements to retain B.F.A. status.

All B.F.A. students are encouraged to participate in the Kentucky Theatre Association, the Southeast Theatre Conference, and the appropriate acting or design competitions sponsored by the American College Theatre Festival.

All theatre students in the B.A. degree program must meet with the Director of Undergraduate Studies for advising and scheduling information.

Arts Administration Program

All students are assigned an academic advisor when they enter the program. Advisors not only help students choose courses to complete their degree requirements, but also assist students in finding internships.

DEPARTMENT OF ART

Requirements for the B.A. with a major in ART EDUCATION

Art Education majors who wish to be recommended for a state teaching certificate must complete the requirements for the major in Art Education and the requirements for admission, retention and completion of a UK educator preparation program (see page 166 of this Bulletin).

The Art Education Program Faculty, the College of Education Director of Academic Services and Teacher Certification, the University Registrar, and in the case of graduate level programs, the UK Graduate School Dean, are charged with the responsibility of monitoring a student’s progress through educator preparation programs. The Director of Academic Services and Teacher Certification recommends to the Kentucky Education Professional Standards Board (EPSB) that a successful candidate be awarded a state educator license (certificate).

Continuous Assessment in the Art Education Program

A student’s progress through the art education programs is continuously monitored, assessed, and reviewed. In addition to typical evaluation processes that occur as part of their course work and field placements, students will be assessed a minimum of three times.

The three assessments will occur upon entry into the Art Education Program, at a midpoint in the program (no later than the semester prior to student teaching), and on completion of the program, following student teaching. Assessments will include, but are not limited to: (a) appropriate scores on approved standardized tests, (b) review of grades via inspection of transcript, (c) assessment of standards in the required standards sets; all assessed during reviews of portfolio documents or artifacts, interviews with program faculty, when taking UK courses, and during field experiences, and (d) continued adherence to the KY Professional Code of Ethics. At all three assessment points, the program faculty will document the student’s progress toward, or attainment of, all standards in each of the following required standards sets.

Requirements for the B.A. with a major in ART HISTORY

The B.A. offers art history majors courses in non-Western, the Western tradition from ancient through contemporary art, methodology and theory, African art, and advanced courses with more focused topics that present differing approaches to the discipline. The program equips majors with skills in visual analysis, art historical research, problem solving, critical thinking, and writing, as well as with direct experience with the art object.

Graduates with a B.A. in art history will have received a solid liberal arts education with a strong emphasis on writing, the acquisition of at least one foreign language, and critical thinking, useful for virtually any career path. The degree helps prepare majors for arts-related careers in gallery and museum work or arts organizations at the community or state level. Majors may choose to pursue further post-graduate studies, leading to careers in research and/or field work, teaching, arts administration, and curatorial work in a museum.

The major in art history must include the following:

Requirements for the BACHELOR OF MUSIC IN MUSIC EDUCATION

The major in music education is the joint concern of the School of Music in the College of Fine Arts and the Department of Curriculum and Instruction in the College of Education.
