Continuous Assessment in the Art Education Program

Students’ progress through the art education programs is continuously monitored, assessed, and reviewed. In addition to regular evaluation in conjunction with their program course work and field placements, students will be assessed three times in their art education program:

1. Teacher Education Program (TEP). Students who desire to declare an Art Education major will demonstrate their progress in the Foundations Program and commitment to advanced undergraduate study through an application to the TEP. In this application, students must demonstrate that they have earned at least 60 credit hours and meet the criteria put forth by the College of Education by filling out the College of Education TEP application form. Upon meeting those criteria, applicants then have a portfolio review and interview with art education faculty to determine entry into the program.

   The TEP criteria include:
   - Total academic record. A minimum overall grade-point average of 2.75 is required.
   - Performance on required tests measuring proficiency in writing, reading and math.
   - Record of completed preprofessional course work, experiences, and awards.

2. Mid-Level review. No later than the semester prior to student teaching, students will demonstrate that they meet the criteria put forth by the art education faculty by submitting the materials required for review by the art education faculty.

3. Student Teaching. The final assessment is made by the two cooperating public school teachers who supervise the student, and by the observation assessments of the University student teaching supervisor.

Area of Concentration in Art

1. ART 191 Art Professions
2. A-S 201 Professional Practices in Art Studio
3. Two Art History courses at or above the 300 level
4. All of the following courses:
   - A-S 110 Painting I
   - A-S 320 Printmaking I
   - A-S 355 Introduction to Sculpture
   - A-S 370 Ceramics I
   - A-S 331 Exploration of Human Form
   - Art Studio electives

Subtotal: Major hours = 69-71

State Mandated Testing and the Kentucky Teacher Internship

Successful completion of the examinations required by the Kentucky Education Professional Standards Board is a precondition for the granting of a teaching license (certificate). See www.kyepsb.net/ for the current list of PRAXIS examination requirements for P-12 Art certification.

Upon being recommended for a Kentucky Teaching License (certificate), a candidate will be issued a Kentucky Letter of Eligibility for the Kentucky Teacher Internship Program. Upon employment in a Kentucky P-12 school, the candidate will receive a one-year license to practice as a fully qualified intern Art teacher. After successfully completing the internship year, the candidate will be eligible for a regular Kentucky Professional Teaching License (certificate).

Information concerning licensure in other states is available from the office of Academic Services and Teacher Certification in the College of Education.

Requirements for the B.A. with a major in ART HISTORY & VISUAL STUDIES

This degree offers its majors a solid foundation in the art and visual cultures of Africa, Asia, and the Western tradition, with advanced courses that present differing approaches to both art history and visual studies. A major in Art History & Visual Studies provides a solid liberal arts education with a strong emphasis on skills in visual literacy, critical thinking, problem solving, and written and oral communication that are required for virtually any career path. The program also equips majors with advanced skills in visual analysis and research.
All majors are required to take a shared art history core of 15 credits. In consultation with their advisor, majors organize their upper-division course work around one of three options: art history, museum studies, or visual studies. Each upper-division option offers a tailored combination of upper-division art history and visual studies courses, foreign language study, and cognate courses in other disciplines. The required capstone course should be taken after majors have completed at least 21 credits of major courses, preferably at the beginning of their last year of course work. The curriculum includes a generous number of electives. If majors plan effectively, they may be able to take a broad range of courses and earn a minor or second major in another discipline.

Any student earning a Bachelor of Arts (B.A.) degree must complete a minimum of 39 hours at the 300 or above level. Depending on the option selected, at least 27 of the 39 hours are completed by the major requirements. However, students should keep this requirement in mind as they select their courses.

**UK Core Requirements**

See the [UK Core section of this Bulletin](http://www.uky.edu/Registrar/bulletinCurrent/gradreq.pdf) for the complete UK Core requirements. The courses listed below are (a) recommended by the college, or (b) required courses that also fulfill UK Core areas. Students should work closely with their advisor to complete the UK Core requirements.

Although the School of Art and Visual Studies offers courses in four of the ten UK Core Areas, majors may not use more than six credit hours of courses required for the Art History & Visual Studies major to also satisfy the UK Core Area requirements.

**Option A:** Successful completion of the fourth college semester of one foreign language, German or French recommended. (Note: This may be accomplished by scoring at this level on a placement test for previous work in the foreign language.)

**Option B:** Successful completion of the third college semester course of one foreign language and the second college semester course of a second language. (Note: Either or both may be accomplished by scoring at the appropriate level on a placement test for previous work in the foreign languages selected.)

**Option C:** Demonstrate equivalent competence. Students for whom English is a second language, for instance, may use their native language to fulfill this requirement.

**Option in the Major**

Each of the three options in the major assumes a sound knowledge of art history and visual studies provided by the shared curriculum core. Each requires a foreign language requirement, upper-division art history courses, and courses in one or more cognate disciplines. Majors will want to consult with their advisor in the Art History & Visual Studies program to select the path that best serves their future goals.

**Art History Option**

(33 credit hours)

This option focuses on the development of the visual arts, particularly on the histories of “high” or “fine” art within a broad liberal arts tradition. Students study artistic images, objects, and events representing diverse cultures within a global context. This option provides majors with historical, methodological, and theoretical knowledge to interpret visual forms as expressions of historical and cultural circumstances.

The program puts strong emphasis on the acquisition of skills in written and oral communication, foreign language comprehension, critical reading, and problem solving, all leading to the pursuit of independent scholarship in art history. These are skills useful for virtually any career path, but specifically, this option prepares majors to pursue post-graduate studies in art history and related humanistic disciplines, leading to careers in academia, arts administration, visual resources, museum professions, and similar fields.

Students who have selected the Art History option are required to have taken A-H 106, Renaissance through Modern Art, which is offered as a premajor requirement option.

**Foreign Language**

(6-7 credit hours)

Complete one of the following sequences beyond the UK foreign language requirement:

**Option A:** Successful completion of the fourth college semester of one foreign language, German or French recommended. (Note: This may be accomplished by scoring at this level on a placement test for previous work in the foreign language.)

**Option B:** Successful completion of the third college semester course of one foreign language and the second college semester course of a second language. (Note: Either or both may be accomplished by scoring at the appropriate level on a placement test for previous work in the foreign languages selected.)

**Option C:** Demonstrate equivalent competence. Students for whom English is a second language, for instance, may use their native language to fulfill this requirement.
Students who have selected the Museum Studies option are required to have taken A-H 106, Renaissance through Modern Art, offered as an option for a premajor requirement, and A-H 350, Contemporary, offered as an option in the Modern Art & Visual Studies group of the shared curriculum core.

**Foreign Language**
The UK foreign language requirement satisfies the Museum Studies option. The requirement states that any first-year freshman or transfer student must demonstrate that they have completed two high school credits in a single foreign language, or two semesters at the postsecondary level. A student who has not completed the high school foreign language requirement will be required to take a two-semester foreign language at UK prior to graduation.

**Museum Studies Option** (33 credit hours)
This option introduces majors to museology and the variety of careers available within or related to the museum profession. Majors examine the processes by which objects or events are interpreted within the context of museums and the roles that museums, broadly defined, play in society. Courses provide a historical and theoretical overview of museums and examine the critical issues confronting museums in the contemporary world. Museum Studies also establishes a bridge between theory and practice by requiring an experiential education component.

Students who choose this option are interested in working with the art object and often pursue further training leading to careers in galleries, museums of all kinds, auction houses or other institutions which present images, objects or events. Students who have selected the Museum Studies option are required to have taken A-H 106, Renaissance through Modern Art, offered as an option for a premajor requirement, and A-H 350, Contemporary, offered as an option in the Modern Art & Visual Studies group of the shared curriculum core.

Students will demonstrate a broad knowledge of art history and visual studies as well as skills in research and written and oral communication.

**Visual Studies Option** (33 credit hours)
Ours is a visual culture. Workplaces today are visually saturated environments, our dominant pastimes are visual media (films, television, video, the Internet, etc.); knowledge is commonly communicated visually. Visual Studies teach critical viewing to prepare us for the visually complex milieu of the 21st Century. As contrasted with traditional humanistic scholarship that focuses on “high” or “fine” art, visual studies are more broadly based, reaching more fully into everyday life to deal with all aspects of culture that communicate through visual means, from paintings and film to advertising and Web sites.

This option offers majors a broad interdisciplinary selection of courses and methodologies from the arts, design, humanities, social sciences, and sciences to study the uses to which people put the visual and the place of the visual within the context of the whole culture. Visual studies ideally examine production and consumption of images, objects, and events in diverse cultures and within a global context.

Students who choose this option could pursue further training leading to careers in visual resource management, law, journalism, or may pursue graduate work in visual studies, cultural studies, film studies, and art history.

Students who select the Visual Studies option are required to have taken A-H 101, Introduction to Visual Studies, offered as an option for the premajor requirement.

**Foreign Language**
The UK foreign language requirement satisfies the Visual Studies option. The requirement states that any first-year freshman or transfer student must demonstrate that they have completed two high school credits in a single foreign language, or two semesters at the postsecondary level. A student who has not completed the high school foreign language requirement will be required to take a two-semester foreign language at UK prior to graduation.

For this requirement, select nine courses from the following suggested courses. In consultation with their advisors, students may identify and propose other courses relevant to visual studies that may fulfill this requirement. Students must file a College of Fine Arts petition form for approval of any substitution of an alternate course with the College of Fine Arts Dean’s Office. Minor in Visual Studies

Ours is a visual culture. Workplaces today are visually saturated environments, our dominant pastimes are visual media (films, television, video, the Internet, etc.); knowledge is commonly communicated visually. Visual Studies teaches critical viewing to prepare us for the visually complex milieu of the 21st century. Visual studies is a more broadly based curriculum than is covered by traditional art history, reaching more fully into everyday life to deal with all aspects of culture that communicate through visual means. This minor offers students a broad interdisciplinary selection of courses and methodologies from the arts, design, humanities, social sciences, and sciences. Visual studies ideally examine production and consumption of images, objects, and events in diverse cultures and within a global context. The major in music education is the joint concern of the School of Music in the College of Fine Arts and the Department of Curriculum and Instruction in the College of Education. Admission to the program is granted only after the successful completion of an audition in the student’s performance area. In addition to completing the required courses, the student must present a half-recital or the equivalent on the major instrument or in voice during or after the sixth semester of study.

Music education majors who wish to receive a teaching certificate must meet the certification requirements of the College of Education, as well as the requirements for the College of Fine Arts. To qualify for student teaching and state teacher certification, a student must be officially admitted into the Teacher Education Program. Certification also requires successful completion of the NTE/Praxis II and a one-year paid internship. Additional information on TEP, NTE/Praxis II, certification and internship is outlined in the College of Education section of this Bulletin.

Minor in Music

Students from any college may complete a minor in music, selecting either an emphasis in theory/history or performance. Such a minor consists of at least 18 hours of course work in music. In the theory/history emphasis, six to nine hours of music theory, six to nine hours of music history, and three hours of music performance are required. In the performance emphasis, eight hours of performance instruction, four hours of appropriate ensemble, and six hours of music history or theory are required. A successful audition is required for private performance study in the designated area (level of performance expectation is that of entering freshman music major). The course requirements are as follows:

**Minor in Music: Music Theory and History**
1. **Music Theory** (six to nine hours)
   - MUS 174 Theory for Non-Music Majors .................... 3

   Note: Some variation in the above courses is possible, with written approval from the Director of Undergraduate Studies, School of Music. The availability of the minor in music performance is dependent on sufficient time within the appropriate instructor’s designated teaching load.

**Undergraduate Certificates in Musical Theatre**

The Department of Theatre and the School of Music in the College of Fine Arts offer an undergraduate interdisciplinary Certificate in Musical Theatre. By combining the efforts and resources of the Department of Theatre and the School of Music, students are able to take the breadth of course work necessary for a fundamental experience in musical theatre. The course work includes acting, dance, voice, and musical theatre techniques. This certificate will provide desired course work as well as performance opportunities for undergraduate students.

The course work in the certificate is designed to use the strengths of each unit and supplement them with course work from the other unit. For example, music students don’t need additional voice work, but they do need training in acting and dance in order to be educated in musical theatre. Theatre students have access to both acting and dance classes, but lack sufficient preparation in voice and music for musical theatre. The Certificate provides an interdisciplinary bridge between the two programs.

Upon completion of the Musical Theatre Certificate, students will be able to:
- apply and exhibit proficiency in vocal technique within the forms and styles of the musical theatre canon
- apply and exhibit proficiency in diverse acting techniques and styles necessary for the forms and styles of musical theatre
- apply and exhibit proficiency in diverse dance techniques and styles necessary for the forms and styles of musical theatre
- synthesize acting, singing, and dancing in a musical theatre performance

**Applying to the Program**

Students audition in April during the spring semester to enroll and be accepted into the Certificate program. Students participate in a dance audition, and perform a short monologue and section of a song for the selection process. This process is similar to one that students can be expected to perform and compile as their audition material for any local, regional, or national musical theatre performance opportunity.

Students entering the Certificate Program must have a 3.0 GPA in their major course work.

Musical Theatre Certificate for Voice Majors

The Musical Theatre Certificate for Voice Majors provides an opportunity for theatre majors to enhance a specific set of skills and techniques required for musical theatre performance, enriching their undergraduate experience and course work in their primary degree program.

**Requirements for the Musical Theatre Certificate for Voice Majors**

The certificate in musical theatre for voice majors requires 15 credits, including the following:

UK’s Arts Administration degree program is designed to teach students the concepts, technologies, and skills necessary to successfully direct an arts organization in a competitive and changing environment. The program advocates a devotion to the arts, an interest in community development, and a focus on contemporary and relevant arts trends, and the belief that we can create a positive change by taking skills and knowledge out of the classroom and into the world.
