1. At least 6 hours of premajor work.
2. At least 18 hours at or above the 200 level in a departmental or school program.
3. At least 9 hours in work related to but outside the major department.

In addition, students must complete the departmental or school requirements that have been established. Specific major requirements are outlined in detail under the appropriate department and school sections which follow.

Requirements for the Bachelor of Fine Arts Degree

The University and College requirements for the B.F.A. are the same as the B.A. requirements outlined above.

Requirements for the Bachelor of Music in Music Performance and in Music Education

These requirements are outlined with other program requirements under the School of Music.

Academic Advising

Advising is conducted through formal meetings with each student every semester to review individual curricular plans and progress towards degree. Lower-division advising (freshman and sophomore standing) is conducted by professional advisors in the Office of Student Affairs, 204 Fine Arts Building. Upper-division students (junior and senior standing) are assigned to faculty advisors/mentors in their major programs.

Requirements for the B.A. with a major in ART EDUCATION

Art Education majors who wish to be recommended for a state teaching certificate must complete the requirements for the major in Art Education and the requirements for admission, retention, and completion of a UK educator preparation program in the College of Education section of this Bulletin.
The Art Education Program Faculty, the College of Education Director of Academic Services and Teacher Certification, the University Registrar, and in the case of graduate level programs, the UK Graduate School Dean, are charged with the responsibility of monitoring a student’s progress through educator preparation programs. The Director of Academic Services and Teacher Certification recommends to the Kentucky Education Professional Standards Board (EPSB) that a successful candidate be awarded a state educator license (certificate).

Continuous Assessment in the Art Education Program
Students’ progress through the art education programs is continuously monitored, assessed,
and reviewed. In addition to regular evaluation in
conjunction with their program course work and
field placements, students will be assessed three
times in their art education program:

1. Teacher Education Program (TEP). Students who desire to declare an Art Educa-
tion major will demonstrate their progress in the
Foundations Program and commitment to
advanced undergraduate study through
an application to the TEP. In this applica-
tion, students must demonstrate that they
have earned at least 60 credit hours and
meet the criteria put forth by the College of
Education by filling out the College of Edu-
cation TEP application form. Upon meeting
those criteria, applicants then have a portfolio review and interview with art educa-
tion faculty to determine entry into the
program.

The TEP criteria include:
• Total academic record. A minimum
overall grade-point average of 2.75 is
required.
• Performance on required tests meas-
uring proficiency in writing, reading
and math.
• Record of completed preprofessional
 coursework, experiences, and awards.

2. Mid-Level review. No later than the
semester prior to student teaching, students
will demonstrate that they meet the criteria
put forth by the art education faculty by
submitting the materials required for re-
view by the art education faculty.

3. Student Teaching. The final assessment
is made by the two cooperating public
school teachers who supervise the student,
and by the observation assessments of the
University student teaching supervisor.

State Mandated Testing and the Kentucky
Teacher Internship
Successful completion of the examinations required by
the Kentucky Education Professional Standards Board is a
precondition for the granting of a teaching license (certificate).
See www.kyepsb.net/ for the current list of PRAXIS exami-
nation requirements for P-12 Art certification.

Upon being recommended for a Kentucky Teaching License
(certificate), a candidate will be issued a Kentucky Letter of
Eligibility for the Kentucky Teacher Internship Program.

Upon employment in a Kentucky P-12 school, the candidate
will receive a one-year license to practice as a fully qualified
intern Art teacher. After successfully completing the intern-
ship year, the candidate will be eligible for a regular Kentucky
Professional Teaching License (certificate).

Information concerning licensure in other states is available
from the office of Academic Services and Teacher Certifica-
tion in the College of Education.
Requirements for the B.A. with a major in ART HISTORY & VISUAL STUDIES

This degree offers its majors a solid foundation in the art and visual cultures of Africa, Asia, and the Western tradition, with advanced courses that present differing approaches to both art history and visual studies. A major in Art History & Visual Studies provides a solid liberal arts education with a strong emphasis on skills in visual literacy, critical thinking, problem solving, and written and oral communication that are required for virtually any career path. The program also equips majors with advanced skills in visual analysis and research.

All majors are required to take a shared art history core of 15 credits. In consultation with their advisor, majors organize their upper-division course work around one of three options: art history, museum studies, or visual studies. Each upper-division option offers a tailored combination of upper-division art history and visual studies courses, foreign language study, and cognate courses in other disciplines. The required capstone course should be taken after majors have completed at least 21 credits of major courses, preferably at the beginning of their last year of course work. The curriculum includes a generous number of electives. If majors plan effectively, they may be able to take a broad range of courses and earn a minor or second major in another discipline.

Any student earning a Bachelor of Arts (B.A.) degree must complete a minimum of 39 hours at the 300 or above level. Depending on the option selected, at least 27 of the 39 hours are completed by the major requirements. However, students should keep this requirement in mind as they select their courses.

UK Core Requirements

See the UK Core section of this Bulletin for the complete UK Core requirements. The courses listed below are (a) recommended by the college, or (b) required courses that also fulfill UK Core areas. Students should work closely with their advisor to complete the UK Core requirements.

Although the School of Art and Visual Studies offers courses in four of the ten UK Core Areas, majors may not use more than six credit hours of courses required for the Art History & Visual Studies major to also satisfy the UK Core Area requirements.

A-H 300 Topics in Art History & Visual Studies (Subtitle required) (3 credit hours)

A-H 301 Cross-Cultural Topics in Art History & Visual Studies (Subtitle required) (3 credit hours)

Option in the Major (select one)

Each of the three options in the major assumes a sound knowledge of art history and visual studies provided by the shared curriculum core. Each requires a foreign language requirement, upper-division art history courses, and courses in one or more cognate disciplines. Majors will want to consult with their advisor in the Art History & Visual Studies program to select the path that best serves their future goals.

Art History Option

(33 credit hours)

This option focuses on the development of the visual arts, particularly on the histories of “high” or “fine” art within a broad liberal arts tradition. Students study artistic images, objects, and events representing diverse cultures within a global context. This option provides majors with historical, methodological, and theoretical knowledge to interpret visual forms as expressions of historical and cultural circumstances.

The program puts strong emphasis on the acquisition of skills in written and oral communication, foreign language competence, critical reading, and problem solving, all leading to the pursuit of independent scholarship in art history. These are skills useful for virtually any career path, but specifically, this option prepares majors to pursue post-graduate studies in art history and related humanistic disciplines, leading to careers in academia, arts administration, visual resources, museum professions, and similar fields.

Students who have selected the Art History option are required to have taken A-H 106, Renaissance to Modern Art, which is offered as a premajor requirement option.

Foreign Language (6-7 credit hours)

Complete one of the following sequences beyond the UK foreign language requirement:
Option A: Successful completion of the fourth college semester of one foreign language, German or French recommended. (Note: This may be accomplished by scoring at this level on a placement test for previous work in the foreign language.)

Option B: Successful completion of the third college semester course of one foreign language and the second college semester course of a second language. (Note: Either or both may be accomplished by scoring at the appropriate level on a placement test for previous work in the foreign languages selected.)

Option C: Demonstrate equivalent competence. Students for whom English is a second language, for instance, may use their native language to fulfill this requirement.

Upper-Division Art History & Visual Studies Courses (12 credit hours)

Select one of the following courses designed to provide students with direct experience with the art object through either a museum practicum or appropriate course offering:

A-H 399 Experiential Education in Art History & Visual Studies .............................................. 3
A-H 501 Museum Studies I: Introduction ................. 3
A-H 502 Museum Studies I: Internship .................. 3
A-H 504 Practical Issues in Art History (Subtitle required) .................................................. 3

Plus at least three Art History & Visual Studies courses at the 300 level or above, of which at least two must be from the following seminar areas. To fulfill the requirement, students must select two different seminar numbers (not the same seminar number with different subtitles). These courses provide students with differing perspectives and approaches to the study of the visual arts. Courses may explore interdisciplinary aspects of art history and visual studies, concentrate on an in-depth study of a specialized topic or period, or provide other frameworks beyond the traditional canon.

Cognate Courses (15 credit hours)

Students must complete 15 hours in courses in anthropology, art studio, arts administration, art professions, classics, history, history of film, history of interior design, history of theatre, literature, music, or philosophy. Foreign language courses over and above the foreign language requirement for the art history option are also encouraged.

Capstone Course (3 credit hours)

Students will demonstrate a broad knowledge of art history and visual studies as well as skills in research and written and oral communication.

A-H 555 Methods in Art History & Visual Studies ..... 3

Electives

In addition, students must choose 21 hours of free electives.

Subtotal: Electives ........................................... 21
TOTAL HOURS: ........................................ minimum of 120

Museum Studies Option (33 credit hours)

This option introduces majors to museology and the variety of careers available within or related to the museum profession. Majors examine the processes by which objects or events are interpreted within the context of museums and the roles that museums, broadly defined, play in society. Courses provide a historical and theoretical overview of museums and examine the critical issues confronting museums in the contemporary world. Museum Studies also establishes a bridge between theory and practice by requiring an experiential education component.

Students who choose this option are interested in working with the art object and often pursue further training leading to careers in galleries, museums of all kinds, auction houses or other institutions which present images, objects, or events.

Students who have selected the Museum Studies option are required to have taken A-H 106, Renaissance to Modern Art, offered as an option for a pre-major requirement, and A-H 335, Contemporary Art and Visual Studies (Subtitle required), offered as an option in the Modern Art & Visual Studies group of the shared curriculum core.

Foreign Language

The UK foreign language requirement satisfies the Museum Studies option. The requirement states that any first-year freshman or transfer student must demonstrate that they have completed two high school credits in a single foreign language, or two semesters at the postsecondary level. A student who has completed the high school foreign language requirement will be required to take a two-semester foreign language at UK prior to graduation.

Visual Studies Option (33 credit hours)

Ours is a visual culture. Workplaces today are visually saturated environments, our dominant pastimes are visual media (films, television, video, the Internet, etc.); knowledge is commonly communicated visually. Visual Studies teach critical viewing to prepare us for the visually complex milieu of the 21st Century. As contrasted with traditional humanistic scholarship that focuses on “high” or “fine” art, visual studies are more broadly based, reaching more fully into everyday life to deal with all aspects of culture that communicate through visual means, from paintings and film to advertising and Web sites.

This option offers majors a broad interdisciplinary selection of courses and methodologies from the arts, design, humanities, social sciences, and sciences to study the uses to which people put the visual and the place of the visual within the context of the whole culture. Visual studies ideally examine production and consumption of images, objects, and events in diverse cultures and within a global context.

Students who choose this option could pursue further training leading to careers in visual resource management, law, journalism, or may pursue graduate work in visual studies, cultural studies, film studies, and art history.

Students who select the Visual Studies option are required to have taken A-H 101, Introduction to Visual Studies, offered as an option for the premajor requirement.

Minor in Visual Studies
Ours is a visual culture. Workplaces today are visually saturated environments, our dominant pastimes are visual media (films, television, video, the Internet, etc.); knowledge is commonly communicated visually. Visual Studies teaches critical viewing to prepare us for the visually complex milieu of the 21st century. Visual studies is a more broadly based curriculum than is covered by traditional art history, reaching more fully into everyday life to deal with all aspects of culture that communicate through visual means. This minor offers students a broad interdisciplinary selection of courses and methodologies from the arts, design, humanities, social sciences, and sciences. Visual studies ideally examine production and consumption of images, objects, and events in diverse cultures and within a global context. Students from any college may choose to minor in visual studies. Bear in mind that some of the course options may have prerequisites.

Undergraduate Certificates in Musical Theatre

The Department of Theatre and Dance and the School of Music in the College of Fine Arts offer an undergraduate interdisciplinary Certificate in Musical Theatre. By combining the efforts and resources of the Department of Theatre and Dance and the School of Music, students are able to take the breadth of course work necessary for a fundamental experience in musical theatre. The course work includes acting, dance, voice, and musical theatre techniques. This certificate will provide desired course work as well as performance opportunities for undergraduate students. The course work in the certificate is designed to use the strengths of each unit and supplement them with course work from the other unit. INTERDISCIPLINARY PROGRAMS

Requirements for the B.A. with a major in ARTS ADMINISTRATION

The demand for arts administrators remains strong. What was once a small niche has transformed into an industry of professionals trained to manage theatres, symphony halls, galleries, museums, community art councils, orchestras, art centers, and many other types of institutions. In fact, the nonprofit arts industry employs approximately 1.3 million individuals annually.

UK’s Arts Administration degree program is designed to teach students the concepts, technologies, and skills necessary to successfully direct an arts organization in a competitive and changing environment. The program advocates a devotion to the arts, an interest in community development and integration, a focus on contemporary and relevant arts trends, and the belief that we can create a positive change by taking skills and knowledge out of the classroom and into the world.

Admission

To be admitted into the Arts Administration Program as a major, an applicant must first:
1. be enrolled in the University of Kentucky;
2. complete 30 semester hours of course work;
3. have a minimum 2.8 cumulative grade-point average; and
4. complete premajor core requirements (AAD 150, AAD 200, AAD 250, CIS/WRD 111, completion of Quantitative Foundations in UK Core, completion of Statistical/Inferential Reasoning in UK Core with a cumulative grade-point average of 3.0 in premajor courses.

Students meeting these requirements will be accepted as majors in the program. Applications for admission must be submitted before the end of the semester prior to a student taking an upper division Arts Administration course.

Students who want to be a major, but have not met one or more of the above requirements will be designated as “premajors.” There is no application procedure for students to become Arts Administration premajors. Upon their request, premajors will be assigned Arts Administration advisors and folders will be created for them.
